Question 4

Upon reviewing both the call for proposal and the grant application form, I was not able to find

- indication to the length of CV information that go in Section II, subsection 1. Operational Capacity
- indication of the length of the proposal in section III. Table 1. Information of the action.

I looked for Q&A section for this call of proposals in

https://ec.europa.eu/regional_policy/en/newsroom/funding-opportunities/calls-for-proposal/ or any other documents that could carry any specification as to the length of the content of the proposal.

Can you advise on what is the max length on CV information in each box in the Operational Capacity sections and what is the allowable length in each box of the Description of the Action table or indicate where I could find such information?
