#### II.2.2) OBJECT OF THE CONTRACT (*reference and object*)

The subject of this contract is to promote communication on regional policy and reinforce relations between the Regional Policy Directorate-General (DG REGIO) and specific target groups, including the general public, via quality information products.

The information activities undertaken in the context of European regional policy aim to increase awareness of the policy among a large number of organisations and the general public. They also reflect the important role of DG REGIO as a disseminator, via the Member States and candidate countries, of good practices and experiences in planning, evaluation and management of the structural funds.

"Information products" means all written, audiovisual, electronic or purely visual tools designed to inform a specific group about the activities, achievements and plans of DG REGIO in the context of its mission and the provisions and achievements of the regional policy.

The Contractor will have to create information products at the request of DG REGIO.
