1. Introduction

The European Commission is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This privacy statement explains the reason for the processing of your personal data in the context of a (type of a) meeting or event, organised by the European Commission. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to the processing of personal data linked to meetings and events, organised by the services of the European Commission, is presented below.

2. Why and how do we process your personal data?

Purpose of the processing operation: the European Commission collects and further processes your personal data to provide you with information about the specific meeting or event (before, during and after) and to process your application for participation in that meeting or event.

Your personal data will not be used for any automated decision-making including profiling.

Live web-streaming and audio-visual recording at the event or meeting of the speakers, organisers and participants, as well as photographs of the speakers and panoramic photographs of participants and organisers will be taken and published in the context of the event or meeting at the JTP website.

The audience or non-speaker participants are not photographed individually or in groups. They may however appear on panoramic photographs of the whole event/audience.

Participants that do not wish to be part of the above web-streaming and recording/publishing activities have the possibility to object to processing (for example, on the spot by indicating a non-web streamed seat if requested; or ex-post, by deleting a specific sequence from the online video/voice recording). If you do not wish your photo to be taken during the event, please notify by email: REGIO-JUST-TRANSITION@ec.europa.eu, so that we can make the necessary and appropriate arrangements during the meeting.

3. On what legal ground(s) do we process your personal data?

The processing operations on personal data, linked to the organisation, management, follow-up and promotion of the meeting or event (including web-streaming, photos, audio-visual recording) are necessary for the management and functioning of the Commission, as mandated by the Treaties. Those provisions are in particular, Article 11 of the Treaty on European Union and Article 15 of the

Treaty on the Functioning of the European Union, as well as the Regulation (EU) 2021/1056 of the European Parliament and of the Council of 24 June 2021 establishing the Just Transition Fund¹.

Consequently, those processing operations are lawful under Article 5(1)(a) of Regulation (EU) 2018/1725 (processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Union institution or body).

Your consent is required for the following actions during the meeting or event (if applicable):

- the sharing of the meeting or event participants list containing your name and affiliation with other participants for the purpose of future collaboration of certain participants;
- the sharing of the meeting/event attendee list containing your name and affiliation among participants, in order to create working groups to continue the collaborate work launched during the meeting/event;
- the processing of your personal data for inviting you to future events the data controller may organise;
- the processing of your personal data for generating the minutes of the event to be further circulated for participants for information purposes;

If you opt-in, you are giving us your explicit consent under Article 5(1)(d) of Regulation (EU) 2018/1725 to process your personal data for those specific purposes. You can give your consent via a clear affirmative act by ticking the box(es) on the online registration form.

Your consent for these services can be withdrawn at any time by sending an e-mail with a specific request in this sense at the REGIO-JUST-TRANSITION@ec.europa.eu.
