### 3. WORK PROGRAMME FOR 2014

#### *3.1. Introduction*

On the basis of the objectives given in Article 58 of Regulation (EU) No 1303/2013 this work programme contains the actions to be financed and the budget breakdown for year 2014 as follows:

- for grants (implemented under direct management) (3.2): EUR 9 624 000
- for prizes (implemented under direct management) (3.3): N/A
- for procurement (implemented under direct management) (3.4): EUR 8 552 090
- for actions implemented under indirect management modes (3.5): N/A
- for financial instruments (3.6) : N/A
- for other actions (3.7): EUR 1 461 750

**IN TOTAL : EUR 19 637 840**

#### *3.2. Grants*

The overall budgetary allocation reserved for grants in 2014 amounts to EUR 9 624 000

### 3.2.1. 23rd annual meeting of the European financial controllers (Homologues group meeting)

*Priorities of the year, objectives pursued and expected results*

The 23rd annual meeting of the European financial controllers (Homologues group meeting) will be hosted by the Slovakian National Audit Authority. This is an annual conference gathering of representatives of Member States and the Commission to discuss issues related to controls of the management of the Structural Funds. The objectives of this meeting are sharing and dissemination of best practices amongst Member States. The expected result is better cooperation between Member States and the Commission.

*Description of the activities to be funded by the grant awarded without a call for proposals on the basis of article 190 of Regulation (EU ) No 1268/2012*

The Annual conference gathering representatives of Member States to discuss issues related to controls of the management of the Structural Funds.

*Essential eligibility, selection and award criteria*

Under Article 190(1) (c) of Regulation (EU ) No 1268/2012, grants may be awarded without a call for proposals to bodies with a *de jure or de facto* monopoly, duly substantiated in the award decision. Because of the treatment and exchange of confidential and sensitive information during the 23rd meeting of the Homologue Group between the representatives of the Ministries of Finance of the Member States, the European Court of Auditors and the European Commission, the organisation of this meeting is limited to the national bodies of control and audit. These entities have decided to designate annually (during the meeting of year n-1) the body amongst them that will ensure the organisation of the meeting for year n. For 2014 the designated body is the Ministry of Finance of the Slovak Republic. Therefore a de facto monopoly has been established.

The award criteria for the evaluation of the proposal submitted by the MEMBER STATES shall be a) relevance with the objectives of the action and b) cost-effectiveness.

*Implementation*

This Action will be implemented directly by DG REGIO. The grant will be of an amount of EUR 170.000 of which: EUR 119.000 will be financed under 13 03 65 01 budget line and EUR 51.000 will be financed under 13 04 61 01 budget line.

*Indicative timetable and indicative amount of the grant awarded without a call for proposals*

Reference	Date	Amount
N/A	4th quarter 2014	EUR 51 000

*Maximum possible rate of co-financing of the eligible costs*

80%

**3.2.2. Action plan for SILC improvements: Grants to MEMBER STATES to support the further developments and improvements of SILC, in the context of its redesign, its timeliness and its regional coverage**

*Priorities of the year, objectives pursued and expected results*

These grants will ensure a better regional coverage of SILC indicators such as risk of poverty or social exclusion rate. This will help national statistical institutes to change their samples, create a regional weighting scheme and/or increase the sample size of the SILC survey among other things. This will ensure the publication of more and more reliable regional SILC indicators.

*Description of the activities to be funded by the grant awarded without a call for proposals on the basis of article 190 of Regulation (EU) No 1268/2012*

Grants will be awarded to Member States to support the further developments and improvements of SILC, in the context of its redesign, its timeliness and its regional coverage.

*Essential eligibility, selection and award criteria*

Under Article 190(1)(d) of Regulation (EU) No 1268/2012, grants may be awarded without a call for proposals in the case(s) of bodies identified by a basic act, within the meaning of Article 54 of Regulation (EU, Euratom) No 966/2012, as beneficiaries of a grant. According to Article 5(3) of Regulation (EC) No 223/2009 of the European Parliament and of the Council<sup>1</sup>, grants may be awarded to the National Statistical Institutes (NSIs) without a call for proposals.

The award criteria for the evaluation of the proposals submitted by the NSIs shall be a) relevance with the objectives of the action and b) cost-effectiveness

*Implementation*

This action will be implemented by ESTAT through cross-subdelegation. The grant will be of an amount of EUR 1 500 000 of which: EUR 1 050 000 will be financed under 13 03 65 01 budget line and EUR 450 000 will be financed under 13 04 61 01 budget line.

**3.2.3. JASPERS 2014**

*Priorities of the year, objectives pursued and expected results*

Continuing assistance to Member States (EU 12, Croatia, Greece) to prepare major projects, and capacity building. Faster approval of projects and better quality of investment.

*Description of the activities to be funded by the grant*

Assessment of major projects applications.

*Essential eligibility, selection and award criteria*

Under Article 190(1) (d) of Regulation (EU) No 1268/2012, grants may be awarded without a call for proposals in the case(s) of bodies identified by a basic act, within the meaning of Article 54 of Regulation (EU, Euratom) No 966/2012, as beneficiaries of a grant. According to Article 31(4) of Regulation (EU) No 1303/2013, a grant may be awarded to the European Investment Bank (EIB) and the European Investment Fund covering initiatives implemented on a multi-annual basis. JASPERS will be implemented throughout the 2014-2020 programming period (in continuation of JASPERS action in the 2007-2013 programming period) .

The award criteria for the evaluation of the proposal submitted by the EIB shall be a) relevance with the objectives of the action and b) cost-effectiveness.

*Implementation*

This action will be implemented directly by DG REGIO. The grant will be of an amount of EUR 29 000 000 of which: EUR 20 300 000 will be financed under 13 03 65 01 budget line and EUR 8 700 000 will be financed under the 13 04 61 01 budget line.

*Indicative timetable and indicative amount of the grants awarded without a call for proposals*

	<b>Date</b>	<b>Amount</b>
	3rd quarter 2014	EUR 8 700 000

*Maximum possible rate of co-financing of total costs*

100 % according to Art. 60 §2 of the CPR.

Financing through unit costs for technical assistance actions implemented by the EIB is established by a separate Commission Decision.

**3.2.4. Economic Magazine**

*Priorities of the year, objectives pursued and expected results*

DG REGIO will participate alongside other DGs in providing contents to the economic magazine, with the aim of explaining to EU citizens how regional policy has a real impact in their lives, supporting the Europe 2020 strategy for growth and jobs and playing an important role in the EU's response to the current economic crisis.

*Description of the activities to be funded by the grant*

DG COMM is coordinating a new economic magazine by Euronews, in the framework of the partnership agreement signed by DG COMM and the European TV channel. The Real Economy has been launched in June 2013 aiming at informing a European wide TV audience about Cohesion Policy projects. Several DGs, among them DG REGIO, have been invited to provide contents to this magazine. This is a fortnightly, 12-minute programme with a total number of 25 per year. The format includes reportages and interviews, and/or studio debates.

*Essential eligibility, selection and award criteria*

Under Article 190(1) (c) of Regulation (EU) No 1268/2012, grants may be awarded without a call for proposals to bodies with a de jure or de facto monopoly, duly substantiated in the award decision. Direct grant will be awarded to Euronews.

The award criteria for the evaluation of the proposal submitted by Euronews shall be a) relevance with the objectives of the action and b) cost-effectiveness.

*Implementation*

This action will be implemented by DG COMM via cross-subdelegation. The grant will be of an amount of EUR 250 000 of which: EUR 175 000 will be financed under 13 03 65 01 budget line and EUR 75 000 will be financed under the 13 04 61 01 budget line.

### 3.2.7. Poverty mapping

#### *Priorities of the year, objectives pursued and expected results*

The European Commission and World Bank mutually interest in reducing poverty and socio-economic exclusion. The World Bank's extensive experience in developing poverty maps based on small area estimation methods and its collaboration with Eastern European Governments since more than 20 years makes this international organisation a unique partner in developing strategic projects with the endorsement of the national Governments. In the case of the poverty maps, the World Bank has partnered with the National Statistical Offices and responsible Ministries by signing a memorandum of understanding and access census and survey data carried out by each Member State. These Member States are also the World Bank members and many of them are still borrowing countries (the World Bank operates with the Government through multiannual investments programmes). Such strategic partnership in so many countries can only be achieved in a joint action between the European Commission and an International Organisation of the size of the World Bank.

#### *Description of the activities to be funded by the grant*

The project will update the poverty maps and provide technical assistance to the national statistical institutes that are interested in small area estimations.

#### *Essential eligibility, selection and award criteria*

Under Article 190(1) (f) of Regulation (EU) No 1268/2012, grants may be awarded without a call for proposals for actions with specific characteristics that require a particular type of body on account of its technical competence, its high degree of specialisation or its administrative power, on condition that the actions concerned do not fall within the scope of a call for proposals. A direct grant will be awarded to the World Bank.

The award criteria for the evaluation of the proposal submitted by the World Bank shall be a) relevance with the objectives of the action and b) cost-effectiveness.

#### *Implementation*

This action will be implemented by DG REGIO directly. The grant will be of an amount of EUR 300 000 of which: EUR 210 000 will be financed under 13 03 65 01 budget line and EUR 90 000 will be financed under the 13 04 61 01 budget line.

### **3.6. Financial instruments implemented in direct or indirect management**

N/A

### **3.7. Other Actions or expenditures**

The overall budgetary allocation reserved for other actions or expenditures is EUR 1 461 750

#### **3.7.1. Expert Contracts – AMI List**

*Amount*

EUR 15 000

*Description and objective of the implementing measure*

This action covers expenses for technical assistance provided by experts through simplified experts contracts, implemented under Article 204 of Regulation (EU, Euratom) No 966/2012.

#### **3.7.2. Smart specialisation platform (Administrative Agreement with JRC)**

*Amount*

EUR 681 750

*Description and objective of the implementing measure*

Member States and regions have been asked to develop smart specialisation strategies. The S3Platform was set-up in the first phase to provide strategic intelligence and hands-on support, including a web-site, newsletter, guidance documents, data material, individual advice, training, database, organization of conferences and meetings, peer-reviews, etc..In the second phase, the Platform will build on this by continuing some of the above-mentioned strategy design support activities for as long as not all smart specialization strategies are in place (until possibly December 2016), maintain the web-site, database, etc.

#### **3.7.3. Regional Model for Impact Assessment of EU Cohesion Policy 2014-2016 (Administrative Agreement with JRC)**

*Amount*

EUR 630 000

*Description and objective of the implementing measure*

This action aims at developing further, update and maintain the regional economic model of DG REGIO (RHOMOLO) and use it to carry out a series of simulations in order to support the design, the implementation and the evaluation of cohesion policy (impact assessment of the 2007-2013 period, analysis of the 2014-2020 programmes, preparation of the budget review, ...).

The objective is to provide DG REGIO with a set of quantitative information concerning the impact of cohesion policy interventions on the performance of the EU NUTS 2 regions. The model will also allow to analyse and compare various policy scenarios relevant for cohesion policy at the level of NUTS 2 regions and on a large number of economic variables (GDP, prices, employment, public finance, ...).

***3.7.4. Analysing settlement patterns and population distribution (Administrative Agreement with JRC)***

*Amount*

EUR 135 000

*Description and objective of the implementing measure*

This project will analyse the location of people and built-up areas and their changes over time. This is a critical input for analysis of accessibility to services and urbanisation.

The results would be a high-resolution GIS layer of built up areas and population and a high-resolution change layer.
