1.2. Grants

1.2.1. Integrity Pacts, Phase II

Priorities of the year, objectives pursued and expected results

1. to explore and promote the use of an Integrity Pact (IP) as civil society control mechanism for safeguarding EU funds against fraud and corruption, and a tool to increase transparency and accountability;
preparatory activities for identification of ERDF or CF (ESIF) projects for Integrity Pact piloting in different Member States, including, the work on mitigation of potential risk factors for IP piloting.

Description of the activities to be funded by the grant awarded without a call for proposals on the basis of article 190 No 1268/2012 (RAP)

Implementation and monitoring of several Integrity Pacts in selected EU Member States (duration - 3 years)

Essential eligibility, selection and award criteria

Under Article 190 (1) (f) of Regulation (EU) No 1268/2012, grants may be awarded without a call for proposals for actions with specific characteristics that require a particular type of body on account of its technical competence, its high degree of specialisation or its administrative power, on condition that the actions concerned do not fall within the scope of a call for proposals. The actions proposed by this project have specific characteristics that require a particular type of body on account of its reputation, independence, accountability, technical competence, its high degree of specialisation and its administrative power thus Transparency International is the only civil society body capable of conducting the actions of the project in the intended shape and scope. Since its inception in the early 1990s, TI with more than 100 national chapters worldwide and its International Secretariat in Berlin has become the leading civil society organisation fighting corruption with significant expertise and experience in designing applied research tools, conducting evidence-based policy and advocacy initiatives, and coordinating complex multi-country projects. The Integrity Pact (IP) is a tool developed by TI and TI has acquired substantial experience in implementing Integrity Pacts. Only the TI Secretariat's reputation, knowledge, quality control and administrative capacity to coordinate and manage multi-country pilot project coupled with the country specific knowledge of TI National Chapters can ensure successful implementation of this complex project.

The award criteria for the evaluation of the proposal submitted by TI shall be a) relevance with the objectives of the action and b) cost-effectiveness.

Implementation

This action will be implemented by DG REGIO directly. The grant will be of an amount of EUR 2 800 000 of which: EUR 1 960 000 will be financed under 13 03 65 01 budget line and EUR 840 000 will be financed under the 13 04 61 01 budget line.

1.2.2. Homologues Group Meeting

Priorities of the year, objectives pursued and expected results

The 24th annual meeting of the European financial controllers (Homologues group meeting) is an annual conference gathering of representatives of Member States and the Commission to discuss issues related to controls of the management of the Structural Funds. The objectives of this meeting are sharing and dissemination of best practices amongst Member States. The expected result is better cooperation between Member States and the Commission.

Description of the activities to be funded by the grant awarded without a call for proposals on the basis of article 190 RAP

The annual conference gathering representatives of Member States to discuss issues related to controls of the management of the Structural Funds.

Essential eligibility, selection and award criteria

Under Article 190(1) (c) of Regulation (EU) No 1268/2012, grants may be awarded without a call for proposals to bodies with a de jure or de facto monopoly, duly substantiated in the award decision.

Because of the treatment and exchange of confidential and sensitive information during the 24th meeting of the Homologue Group between the representatives of the Ministries of Finance of the Member States, the European Court of Auditors and the European Commission, the organisation of this meeting is limited to the national bodies of control and audit. These entities have decided to designate annually (during the meeting of year n-1) the body amongst them that will ensure the organisation of the meeting for year n. For 2015 the designated body is the Ministry of Finance of the Republic of Latvia. Therefore a de facto monopoly has been established.
