on the financing of the use of technical assistance in the framework of the European Regional Development Fund and the Cohesion Fund and the adoption of the work programme for 2020

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1303/2013 of the European Parliament and of the Council of 17 December 2013 laying down common provisions on the European Regional Development Fund, the European Social Fund, the Cohesion Fund, the European Agricultural Fund for Rural Development and the European Maritime and Fisheries Fund and laying down general provisions on the European Regional Development Fund, the European Social Fund, the Cohesion Fund and the European Maritime and Fisheries Fund and repealing Council Regulation (EC) No 1083/20062, and in particular Article 58 thereof,

Whereas:

(1) In order to ensure the implementation of the technical assistance in the framework of the European Regional Development Fund (‘ERDF’) and the Cohesion Fund, it is necessary to adopt an annual financing decision, which constitutes the annual work programme for 2020. Article 110 of Regulation (EU, Euratom) 2018/1046 (‘the Financial Regulation’) establishes detailed rules on financing decisions.

(2) The envisaged assistance is to comply with the conditions and procedures set out by the restrictive measures3 adopted pursuant to Article 215 TFEU.

(3) It is appropriate to authorise the award of grants without a call for proposals and to provide for the conditions for awarding those grants4.

(4) Pursuant to Article 62(1)(c) of the Financial Regulation indirect management is to be used for the implementation of point 5 of the work programme for 2020 in the framework of the ERDF and the Cohesion Fund for the use of technical assistance.

3 www.sanctionsmap.eu The sanctions map is an IT tool for identifying the sanctions regimes. The source of the sanctions stems from legal acts published in the OJ. In case of discrepancy the OJ prevails.
4 Article 195 of the Financial Regulation.
(5) The Commission is to ensure a level of protection of the financial interests of the Union with regards to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial Regulation. To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) of the Financial Regulation before a contribution agreement can be signed.

(6) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.

(7) In order to allow for flexibility in the implementation of the work programme, it is appropriate to allow changes that should not be considered "substantial" for the purposes of Article 110(5) of the Financial Regulation,
