

Agenda Webinar 3

Future UIA. What comes next as a new model for innovative actions under the European Urban Initiative 2021/27?

17 February 2021 10:00 – 12:30 CET

While the design of the European Urban Initiative (EUI) is entering into a more decisive phase, the objective of webinar 3 is to look at UIA perspectives based on the findings and recommendations from UIA's midterm assessment study. More precisely, we will look at pointers for the future innovative actions, discuss enabling factors for cities to innovate, awareness raising, capacity building and urban policy learning and communication as key objectives of the EUI, to support all urban areas across Europe.
