You will find below a list of questions received for this call for proposals. Please note that the present document aims to complement and clarify the call for proposals and does not replace it. A Q&As document will be periodically published; applicants are invited to check this website regularly.

Q1. In the guidelines, as concerns the budget estimate and the category of personnel, it's written: "The names of individuals are not required and should not be indicated". At the same time the application form suggests to attach the CV of some members of the staff to prove the applicant's operational capacity. Have we to send you the CV or not? If the CVs with the names of the staff are included, do we risk to be excluded?

A1. The names of individuals should not be mentioned in the application form or in the budget table. Only the category of staff (coordinator, project manager, etc.) should be mentioned. CVs should be sent to prove the applicant's operational capacity.
