## **Questions & Answers (Q&As)**

22/05/2018

You will find below a list of questions received for this call for proposals. Please note that the present document aims to complement and clarify the call for proposals and does not replace it. A Q&As document will be periodically published; applicants are invited to check this website regularly.

**Q1.** We are considering to submit an application in cooperation with an affiliate entity. I have read through the documentation but did not find any reference to the applicable state aid schemes/rules. Are there any state aid rules that are applicable for this call (de minimis, GBER, etc)? Or the projects must simply comply with the no-profit rule set out in Article 125 (4) FR.

**A1.** No State aid rules are applicable to this call for proposals. The application must comply with the general principles listed under point 7.1. of the Guidelines (non-cumulative award, non-retroactivity, co-financing principle and no-profit rule). In addition, the estimated budget of the action must show the revenue related to the information measure in accordance with point 7.2.2. of the Guidelines.

**Q2.** According page 14 of the application form I would like to know if we can change the Activity name as to put some more ones?

Preparation Activity 1 (title)
Implementation Activity 1 (title)
Preparation Activity 2 (title)
Etc.

**A2.** Yes, you can.
