Questions & Answers (Q&As)

20/10/2021

You will find below a list of questions received for this call for proposals. Please note that the present document aims to complement and clarify the call for proposals and does not replace it. A Q&As document will be periodically published; applicants are invited to check this website regularly.

Q1. Could our proposals be submitted if we were to apply twice: once as a consortium member and once individually? Both proposals would, of course, focus on separate projects.

A1. Applicants may participate in more than one application (eg. as monobeneficiary and as part of a multibeneficiary application / or as part of two multibeneficiary applications, either as lead applicants or co-applicants), as long the two projects are clearly distinct in a way that funding does not end up being granted twice.
