## **Questions & Answers (Q&As)**

21/06/2021

You will find below a list of questions received for this call for proposals. Please note that the present document aims to complement and clarify the call for proposals and does not replace it. A Q&As document will be periodically published; applicants are invited to check this website regularly.

**Q1.** Nous avons une question concernant les entités affiliées et comme nous ne trouvons pas d'information dans l'appel à proposition, nous nous permettons de vous la poser directement par mail. Ainsi : est-ce qu'une association peut être considérée comme une entité affiliée ?

**A1.** Affiliated entities may be legal entities satisfying the eligibility criteria of the particular call and non-exclusion criteria and having a link with a beneficiary, notably a legal or capital link, which is neither limited to the action nor established for the sole purpose of its implementation. This link must be proven by supporting documents to be provided with the application such as the statutory list of members included in reports approved by governing bodies, the list of controlled companies in audited consolidated accounts, the balance sheet or the deeds of establishment proving ownership or partnership.

We confirm that if what you refer to as “association” corresponds to the above definition, it is an affiliated entity.

**Q2.** Is the course intended for undergraduate or postgraduate levels? Or both?

**A2.** The course can be for either undergraduate or postgraduate levels.

**Q3.** What is the duration envisaged for the course? A single, 12-week semester? Or some other time period?

**A3.** We recommend a duration of one semester.
