

MISSION AND VISION STATEMENT

EIT Food's vision is a world where everybody can access and enjoy sustainable, safe and healthy food – with trust and fairness from farm to fork.

EIT Food's mission is to transform how food is produced, distributed, and consumed and to increase its value to European society. We will achieve this by solving the biggest innovation challenges through trusted industry, education and research partners working together with informed and engaged citizens.

EIT Food priorities are outlined in its [SRIA 2021-2027](#).
