FP7 GRANT AGREEMENT –
ANNEX VII - FORM D - TERMS OF REFERENCE FOR THE CERTIFICATE OF FINANCIAL STATEMENTS

TABLE OF CONTENTS

TERMS OF REFERENCE FOR AN INDEPENDENT REPORT OF FACTUAL FINDINGS ON COSTS CLAIMED UNDER A GRANT AGREEMENT FINANCED UNDER THE SEVENTH RESEARCH FRAMEWORK PROGRAMME (FP7) 2

INDEPENDENT REPORT OF FACTUAL FINDINGS ON COSTS CLAIMED UNDER A GRANT AGREEMENT FINANCED UNDER THE SEVENTH RESEARCH FRAMEWORK PROGRAMME (FP7) 4

The Terms of Reference should be completed by the Beneficiary and be agreed with the Auditor

The Independent Report of Factual Findings should be provided by the Auditor
Terms of Reference for an Independent Report of Factual Findings on costs claimed under a Grant Agreement financed under the Seventh Research Framework Programme (FP7)

The following are the terms of reference (‘ToR’) on which <name of the Beneficiary> ‘the Beneficiary’ agrees to engage <name of the audit firm> ‘the Auditor’ to provide an independent report of factual findings on a Financial Statement(s)1 prepared by the Beneficiary and to report in connection with a European Union financed grant agreement concerning the Seventh Research Framework Programme (FP7), concerning <title and number of the grant agreement> (the ‘Grant Agreement’). Where in these ToR the "Research Executive Agency (REA)" ' is mentioned this refers to its quality as signatory of the Grant Agreement with the Beneficiary. The European Union is not a party to this engagement.

1.1 Responsibilities of the Parties to the Engagement

‘The Beneficiary’ refers to the legal entity that is receiving the grant and that has signed the Grant Agreement with the REA2.

- The Beneficiary is responsible for preparing a Financial Statement for the Action financed by the Grant Agreement in compliance with such agreements and providing it to the Auditor, and for ensuring that this Financial Statement can be properly reconciled to the Beneficiary’s accounting and bookkeeping system and to the underlying accounts and records. Notwithstanding the procedures to be carried out, the Beneficiary remains at all times responsible and liable for the accuracy of the Financial Statement.

- The Beneficiary is responsible for the factual statements which will enable the Auditor to carry out the procedures specified, and will provide the Auditor with a written representation letter supporting these statements, clearly dated and stating the period covered by the statements.

- The Beneficiary accepts that the ability of the Auditor to perform the procedures required by this engagement effectively depends upon the Beneficiary providing full and free access to the Beneficiary’s staff and its accounting and other relevant records.

‘The Auditor’ refers to the Auditor who is responsible for performing the agreed-upon procedures as specified in these ToR, and for submitting an independent report of factual findings to the Beneficiary.

The Auditor must be independent from the Beneficiary.

- [Option 2: delete if not applicable] The Auditor is a Competent Public Officer for which the relevant national authorities have established the legal capacity to audit the Beneficiary and has not been involved in the preparation of the financial statements.

The procedures to be performed are specified by the European Commission and the Auditor is not responsible for the suitability and appropriateness of these procedures.

1.2 Subject of the Engagement

The subject of this engagement is the <interim or final; delete what is not applicable> Financial

---

1 Financial Statement in this context refers solely to Form C - Annex VI by which the Beneficiary claims costs under the Grant Agreement
2 Where special clause 10 for the FP7 Model Grant Agreement applies, or where special clause 10 bis for the FP7 Marie Curie Grant Agreement applies, this Form shall be filled in also by Third Parties linked to a beneficiary. In that case, the wording "the Beneficiary" shall be read as "the Third Party"
Statement in connection with the Grant Agreement for the period covering <dd Month yyyy to dd Month yyyy>.

1.3 Reason for the Engagement
The Beneficiary is required to submit to the REA a certificate on a Financial Statement in the form of an independent report of factual findings produced by an external auditor in support of the payment requested by the Beneficiary under Article II.4 of the Grant Agreement. The Authorising Officer of the REA requires this Report as he makes the payment of costs requested by the Beneficiary conditional on the factual findings of this Report.

1.4 Engagement Type and Objective
This constitutes an engagement to perform specific agreed-upon procedures regarding an independent report of factual findings on costs claimed under the Grant Agreement.

As this engagement is not an assurance engagement the Auditor does not provide an audit opinion and expresses no assurance. The REA derives its assurance by drawing its own conclusions from the factual findings reported by the Auditor on the Financial Statement and the payment request of the Beneficiary relating thereto.

The Auditor shall include in its Report that no conflict of interest exists between it and the Beneficiary in establishing this Report, as well as the fee paid to the Auditor for providing the Report.

1.5 Scope of Work
1.5.1 The Auditor shall undertake this engagement in accordance with these ToR and:
- in accordance with the International Standard on Related Services (‘ISRS’) 4400 Engagements to perform Agreed-upon Procedures regarding Financial Information as promulgated by the IFAC;
- in compliance with the Code of Ethics for Professional Accountants issued by the IFAC. Although ISRS 4400 provides that independence is not a requirement for agreed-upon procedures engagements, the REA requires that the Auditor also complies with the independence requirements of the Code of Ethics for Professional Accountants.

1.5.2 Planning, procedures, documentation and evidence
The Auditor should plan the work so that the procedures can be effectively performed. For this purpose he performs the procedures specified in 1.9 of these Terms of Reference (‘Scope of Work – Compulsory Report Format and Procedures to be Performed’) and uses the evidence obtained from these procedures as the basis for the Report of factual findings.

1.6 Reporting
The Report of factual findings, an example of which is attached to this ToR, should describe the purpose and the agreed-upon procedures of the engagement in sufficient detail in order to enable the Beneficiary and the REA to understand the nature and extent of the procedures performed by the Auditor. Use of the reporting format attached as Annex VII of the Grant Agreement is compulsory. The Report should be written in the language indicated in Article 4 of the Grant Agreement. In accordance with Article II.22 of the Grant Agreement, the REA, the European Commission and the Court of Auditors have the right to audit any work carried out under the project for which costs are claimed from the Union, including the work related to this engagement.

1.7 Timing
The Report should be provided by [DATE].

1.8 Other Terms
[The Beneficiary and the Auditor can use this section to agree other specific terms such as Auditor’s fees, out of pocket expenses, liability, applicable law, etc.]

[legal name of the audit firm] [legal name of the Beneficiary]
[name & function of authorised representative] [name & function of authorised representative]
1.9 Scope of Work – Compulsory Report Format and Procedures to be Performed

Independent Report of Factual Findings on costs claimed under a Grant Agreement financed under the Seventh Research Framework Programme (FP7)

To be printed on letterhead paper of the Auditor

<Name of contact person(s)>, <Position>

In accordance with our contract dated <dd Month yyyy> with <name of the Beneficiary> “the Beneficiary” and the terms of reference attached thereto (appended to this Report), we provide our Independent Report of Factual Findings (“the Report”), as specified below.

Objective

We [legal name of the audit firm], established in [full address/city/state/province/country] represented for signature of this Report by [name and function of an authorised representative] have performed agreed-upon procedures regarding the cost declared in the Financial Statement(s) 3 of [name of beneficiary] hereinafter referred to as the Beneficiary, to which this Report is attached, and which is to be presented to the REA under grant agreement EU grant agreement reference: [title, acronym, number] for the following period(s) [insert period(s) covered by the Financial Statement(s) per Activity] and for the following amount [insert amount in EUR]. This engagement involved performing certain specified procedures, the results of which the REA uses to draw conclusions as to the eligibility of the costs claimed.

Scope of Work

Our engagement was carried out in accordance with:

- the terms of reference appended to this Report and:

- International Standard on Related Services (‘ISRS’) 4400 Engagements to perform Agreed-upon Procedures regarding Financial Information as promulgated by the International Federation of Accountants (‘IFAC’);

- the Code of Ethics for Professional Accountants issued by the IFAC. Although ISRS 4400 provides that independence is not a requirement for agreed-upon procedures engagements, the REA requires that the Auditor also complies with the independence requirements of the Code of Ethics for Professional Accountants;

As requested, we have only performed the procedures set out in the terms of reference for this engagement and we have reported our factual findings on those procedures in the table appended to this Report.

The scope of these agreed upon procedures has been determined solely by the European Commission and the procedures were performed solely to assist the REA in evaluating whether the costs claimed by the Beneficiary in the accompanying Financial Statement has been claimed in accordance with the Grant Agreement. The Auditor is not responsible for the suitability and appropriateness of these procedures.

Because the procedures performed by us did not constitute either an audit or a review made in accordance with International Standards on Auditing or International Standards on Review Engagements, we do not express any assurance on the Financial Statements.

Had we performed additional procedures or had we performed an audit or review of the Financial Statements?

---

3 Financial Statement in this context refers solely to Form C - Annex VI by which the Beneficiary claims costs under the Grant Agreement
Statements of the Beneficiary in accordance with International Standards on Auditing, other matters might have come to our attention that would have been reported to you.

**Sources of Information**
The Report sets out information provided to us by the management of the Beneficiary in response to specific questions or as obtained and extracted from the Beneficiary’s information and accounting systems.

**Factual Findings**
The above mentioned Financial Statement(s) per Activity was (were) examined and all procedures specified in the appended table for our engagement were carried out. On the basis of the results of these procedures, we found:

All documentation and accounting information to enable us to carry out these procedures has been provided to us by the Beneficiary. Except as indicated below, no exceptions were noted.

**Exceptions**
- In some cases, the Auditor was not able to successfully complete the procedures specified.
  These exceptions are as follows:

Exceptions such as inability to reconcile key information, unavailability of data which prevented the Auditor from carrying out the procedures, etc. should be listed here. The REA will use this information to decide the amounts which will be reimbursed.

**Use of this Report**
This Report is solely for the purpose set forth in the above objective.

This Report is prepared solely for the confidential use of the Beneficiary and the REA and solely for the purpose of submission to the REA in connection with the requirements as set out in Article II.4.4 of the Grant Agreement. This Report may not be relied upon by the Beneficiary or by the REA for any other purpose, nor may it be distributed to any other parties. The REA may only disclose this Report to others who have regulatory rights of access to it, in particular the European Commission, the European Anti Fraud Office and the European Court of Auditors.

This Report relates only to the Financial Statement(s) specified above and does not extend to any other financial statements of the Beneficiary.

No conflict of interest exists between the Auditor and the Beneficiary in establishing this Report. The fee paid to the Auditor for providing the Report was € _____.

We look forward to discussing our Report with you and would be pleased to provide any further information or assistance which may be required.

[legal name of the audit firm]
[Name and function of an authorised representative]
<dd Month yyyy>, <Signature of the Auditor>

---

4 A conflict of interest arises when the auditor’s objectivity to establish the certificate is compromised in fact or in appearance when the auditor for instance:
- was involved in the preparation of the Financial Statements (Forms C);
- stands to benefit directly should the certificate be accepted;
- has a close relationship with any person representing the beneficiary;
- is a director, trustee or partner of the beneficiary;
- is in any other situation that compromises his or her independence or ability to establish the certificate impartially.
Procedures performed by the Auditor

The Auditor designs and carries out his work in accordance with the objective and scope of this engagement and the procedures to be performed as specified below. When performing these procedures the Auditor may apply techniques such as inquiry and analysis, (re)computation, comparison, other clerical accuracy checks, observation, inspection of records and documents, inspection of assets and obtaining confirmations or any others deemed necessary in carrying out these procedures.

The European Commission reserves the right to issue guidance together with example definitions and findings to guide the Auditor in the nature and presentation of the facts to be ascertained. The European Commission reserves the right to vary the procedures by written notification to the Beneficiary. The procedures to be performed are listed as follows:

<table>
<thead>
<tr>
<th>Procedures</th>
<th>Standard factual finding and basis for exception reporting</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Personnel costs</strong></td>
<td></td>
</tr>
<tr>
<td><strong>Management costs heading</strong></td>
<td></td>
</tr>
<tr>
<td>1. Recalculate hourly personnel and overhead rates for personnel (full coverage if less than 20 employees, otherwise a sample of minimum 20, or 20% of employees, whichever is the greater), indicate the number of productive hours used and hourly rates. Where sampling is used, selection should be random with a view to producing a representative sample.</td>
<td>The Auditor sampled ________ employees out of the total of _________ employees. For each employee in the sample the Auditor obtained the personnel costs (salary and employer's costs) from the payroll system together with the productive hours from the time records of each employee. For each employee selected, the Auditor recomputed the hourly rate by dividing the actual personnel costs by the actual productive hours, which was then compared to the hourly rate charged by the Beneficiary. No exceptions were noted. The average number of productive hours for the employees selected was ________. The productive hours calculation corresponds to the usual accounting practice of the beneficiary. If the productive hours or costs of personnel cannot be identified, they should be listed (together with the amounts) as exceptions in the main report. If the productive hours calculation does not correspond to the usual accounting practice of the beneficiary, this should be listed as an exception in the main report.</td>
</tr>
</tbody>
</table>

Scales of unit costs: allowances for researchers
2. Check that the activities giving rise to an entitlement for the "scales of unit costs" have efficiently occurred.

Activities have occurred as foreseen in the ECGA. If activities have not efficiently occurred, this should be listed as an exception in the main report.

3. Check that the researchers were devoted full time to the project and that they had not spent time working on other projects by inspecting relevant documents, prove of work, timesheets etc.

The researcher worked full time on the current project. If the researchers have not worked on the project full time or has devoted a part of his time working on other project, the details should be recorded as exceptions in the main report. If the researcher has not been paid correctly according to the Marie Curie rate, this should be listed as an exception in the main report.

4. Check that the Marie Curie rate has been used to pay the researcher and the related tax and social security contribution.

The Auditor compared the description of the 3\textsuperscript{rd} party resources provided by the Beneficiary to the specification of the Grant Agreement, and found them to be the same. If the descriptions do not clearly match, this should be reported as an exception in the main report.

**Subcontracting**

5. If applicable obtain a written description from the Beneficiary regarding 3rd party resources used in the real cost categories (management (G or 4) and equipment (I or 6)) and the Grant Agreement.

Concerning Marie Curie Individual Fellowships (IEF, IIF, IOF), the "management costs" and "indirect costs" will be covered by a single flat-rate, implying that the procedures foreseen for subcontracting costs will be not applicable.

The Auditor compared the description of the 3\textsuperscript{rd} party resources provided by the Beneficiary to the specification of the Grant Agreement, and found them to be the same. If the descriptions do not clearly match, this should be reported as an exception in the main report.

**Other costs**

6. Allocation of equipment subject to depreciation is correctly identified and allocated to the project. Full coverage if less than 20 items, otherwise a sample of minimum 20, or 20% of the items, whichever is the greater.

Check in that prior agreement by the Commission for the purchase of small equipment expenses to be declared under cost category I or 6 was obtained. (The check does not concern the cost categories D, E or 3, which are flat rate contributions, and for which no justifications of actual expenditures are required).

The Auditor traced the equipment charged to the project to the accounting records and the underlying invoices. The Beneficiary has documented the link with the project on the invoice and purchase documentation, and, where relevant, the project accounting. The asset value was agreed to the invoice and no VAT or other identifiable indirect taxes were charged. The depreciation method used to charge the equipment to the project was compared to the Beneficiary's normal accounting policy and found to be the same. Agreement for the of small equipment expenses declared under Category I was obtained. Check that the equipment expenses declared under Category I was obtained. If assets have been charged which do not comply with the above, they should be listed (together with the amounts) as exceptions in the main report. If no prior agreement for the equipment expenses declared under Category I is obtained, exception should be noted in the main report.

7. Travel costs correctly identified and allocated to the project (and in line with Beneficiary's normal policy for non-[EU] [Euratom] work regarding first-class travel, etc.)

The Auditor inspected the sample and found that the Beneficiary had allocated travel costs to the project by marking of invoices and purchase orders with the project reference, resulting in traceable allocation in the project accounts.

---

5 Under Marie Curie Grant Agreements, the cost of parental leave for the Marie Curie fellows can be eligible under the condition that such costs are mandatory under national law and are non-refundable. In some cases, this may imply an extension to the project duration requested and approved by the Commission and/or an increase in the total maximum contribution through a formal amendment of the grant agreement. The Commission will provide a specific template to the beneficiary concerned for reporting such mandatory and non-refundable costs of parental leave and the auditor should also check this specific declaration of expenses.
Full coverage if less than 20 items, otherwise a sample of minimum 20, or 20% of the items, whichever is the greater. The Beneficiary should provide written evidence of its normal policy for travel costs (e.g. use of first class tickets) to enable the Auditor to compare the travel charged with this policy.

The check does not concern the cost categories D, E or 3, which are flat rate contributions, and for which no justifications of actual expenditures are required nor does it concern cost category B, travel allowance (see point 8).

The "management costs" and "indirect costs" will be covered for Marie Curie Individual Fellowships (IEF, IIF, IOF) by a single flat-rate, implying that the procedures foreseen for travel costs will not be applicable.

8. Marie Curie actions include a cost category "travel costs", which is a flat rate contribution (allowance) for the benefit of the fellows and which is, as such, not subject to a check that actual costs have occurred, but only that the researchers have received this contribution in full less the related tax and social security contributions.

9. Consumables correctly identified and allocated to the project. Full coverage if less than 20 items, otherwise a sample of minimum 20, or 20% of the items, whichever is the greater.

The "management costs" and "indirect costs" will be covered for Marie Curie Individual Fellowships (IEF, IIF, IOF) by a single flat-rate, implying that the procedures foreseen for consumables costs will not be applicable.

Consumable costs only apply to those related to the management cost category (G or 4). The check does not concern the cost categories D, E or 3, which are flat rate contributions, and for which no justifications of actual expenditures are required.

### Indirect costs

10. Identify the 10% flat rate and perform calculations

The auditor found:
- that the flat rate has been charged in accordance with Annex II of the ECGA and computed on direct eligible costs excluding costs for sub-contracting and the costs of resources made available by third parties which are not used on the premises of the beneficiary.
- that no differences arose from the numerical reconciliation.

Any differences of the above should be reported as exceptions in the main report.

11. Inspect and compare exchange rates into Euros.

The Auditor compared the exchange rates used for conversion with the
### 12. Identification of receipts.
The Beneficiary is obliged to declare in its claim any receipts related to the project (income from events, rebates from suppliers, etc.).

Flat rate cost categories are not considered to give rise to a profit, therefore the check does not concern the cost categories D, E or 3, which are flat rate contributions, and for which no justifications of actual expenditures are required.

The Auditor examined the relevant project accounts and obtained representations from the Beneficiary that the amounts listed represent a complete record of the sources of income connected with the project. The amount included in the claim regarding receipts is the same as the amount recorded in the project accounting. Any discrepancies in the receipts noted in the accounts and those reported by the Beneficiary should be noted (together with the amount) as exceptions in the main report.

### 13. Identification of interest yielded until 31/12/2012 on pre-financing.
The Beneficiary, when it is the coordinator of the project, is obliged to declare interest yielded until 31/12/2012 on pre-financing.

The Auditor compared the relevant project accounts with the interest shown in the bank statements and found them to be the same. Any discrepancies in the interest noted in the accounts and those reported by the Beneficiary should be noted (together with the amount) as exceptions in the main report.
