Self-evaluation form

Marie Skłodowska-Curie Actions Individual Fellowships (IF)

This form is made available to applicants who may themselves wish to arrange an evaluation of their proposal (e.g. by an impartial colleague) prior to final editing, submission and deadline. The aim is to help applicants identify ways to improve their proposals. The forms used by the experts for their evaluation reports will be broadly similar, although the detail and layout may differ. A self-evaluation, if carried out, is not to be submitted to the Commission, and has no bearing whatsoever on the conduct of the evaluation.

Please remember that in the real evaluation, evaluators will be asked to score proposals as they were submitted, rather than on their potential if certain changes were to be made. When an evaluator identifies significant shortcomings, he or she must reflect this by awarding a lower score for the criterion concerned

Each criterion will be scored out of 5. Decimal points will be given.

The scores indicate the following with respect to the criterion under examination:

- 0 - The **proposal fails to address the criterion** or cannot be assessed due to missing or incomplete information.
- 1 - **Poor**. The criterion is addressed in an inadequate manner, or there are serious inherent weaknesses.
- 2 - **Fair**. While the proposal broadly addresses the criterion, there are significant weaknesses.
- 3 - **Good**. The proposal addresses the criterion well, but a number of shortcomings are present.
- 4 - **Very good**. The proposal addresses the criterion very well, But a small number of shortcomings are present.
- 5 - **Excellent**. The proposal successfully addresses all relevant aspects of the criterion. Any shortcomings are minor.
