## Instruction Page (to be removed before submitting)

*Please follow the structure of this template when preparing your application. It has been designed so that the important aspects of your application are presented in a way that allows the experts to make an effective assessment against the evaluation criteria. This application constitutes the written presentation of your achievements.*

***Your response to the award criteria should be brief with maximum 4000 characters allowed per criterion with spaces and line breaks included and 2000 characters for the abstract. An additional text box is provided at the end, should you wish to provide any links to publications, articles or projects demonstrating your achievements. This section is non-compulsory. Part B should be no longer than 10 pages.***

*Please respect the character and page limits and do not take it as a target either! It is in your interest to keep your text as concise as possible, since experts rarely view unnecessarily long applications in a positive light.*

*The minimum font size allowed is 11 points. The page size is A4, and all margins (top, bottom, left, right) should be at least 15 mm (not including any footers or headers).*

*If you attempt to upload an application longer than the specified limit, you will receive an automatic warning, and will be advised to shorten and re-upload the application. If you submit an application that goes beyond 10 pages, excess pages will be automatically made invisible, and will not be taken into consideration by the experts.*

*You must support your application with an inspiring video message (max 90 seconds).*

### Part B – Application Form:

**ACRONYM:**

#### ABSTRACT

The abstract should provide a clear and concise description of how you excelled in relation to the objectives of the prize. It should be short, self-contained and should not contain any confidential information. **The abstract must be written in English.** Your reply is limited to 2,000 characters, including spaces and line breaks.

Example, not to complete

#### VIDEO

You are required to support your application with an inspiring video message, up to 90 seconds. Please include a link to the video below:

**Please describe how you meet the award criteria mentioned below. Do not be too modest, but please stick to the facts. The character limit per window is 4,000 including spaces and line breaks.**

### 1. AWARD CRITERION: BREAKTHROUGH INNOVATION

Please describe in the following paragraph how the company you have founded/co-founded provides a cutting edge product or service. In presenting your innovation, you are expected to clearly demonstrate what makes this product or service innovative, describing its added value and viability, particularly in relation to other existing solutions.

### 2. AWARD CRITERION: IMPACT

Please describe in the following paragraph how this cutting edge product or service brings major benefits to citizens and society and the economy. Please describe the specific need addressed, and demonstrate the benefit of the product or service for society (mentioning, if relevant, the fight against climate change, gender equality, and other societal challenges). You should demonstrate that the product or service contributes to the creation of jobs and growth in Europe. You should also describe your company's positive contribution to the broader innovation ecosystem.

## **PRIZE APPLICATION TEMPLATE**

### **Application (Part B)**

To support your answer, please include quantifiable information on the economic impact in particular; including countries where the product or service is commercialised, turnover (in EUR), jobs created, and any other direct or indirect impact. You should also detail the medium- and long-term development strategy for the company.

### **3. AWARD CRITERION: INSPIRATION**

Please explain how you have shown active leadership and your role has influenced the success of the company. Please demonstrate that you have the potential to inspire others, within your company and beyond, and explain why you are a strong role model who can inspire other women to become leaders in innovation.

### **OTHER INFORMATION (NOT COMPULSORY)**

You may include links to publications, articles, projects describing your achievements.

## **PRIZE APPLICATION TEMPLATE**

### **Application (Part B)**

**Part B should be no longer than 10 pages. Once you have completed your application, please delete the instruction page before submitting.**
