

Explanatory Note on the changes to the 2009 'People' Work Programme

Revision of 1 July 2009 – European Commission C(2009)5124

The 2009 'People' Work Programme has been updated with respect to the version adopted on 22 August 2008 (European Commission C(2008)4483). The modifications are confined to the policy areas which are funded under the PEOPLE Programme.

Any proposal for the Marie Curie currently open calls (**FP7-PEOPLE-2009-IAPP, IOF, IIF, IEF and RG**) which has been registered and is in the process of being completed is **not affected by these changes**.

The changes are as follows:

General introduction and approach for 2009:

- Clarification on the list of activities to be implemented by the Research Executive Agency (REA).

The Researchers' NIGHT action:

- The date of the events has been modified from 26 to 25 September 2009.

Other activities for 2009 (specific actions not implemented through calls for proposals):

- Adaptation of the budgets for the activities under the headings IV.4.1, 4.2 and 4.3.
