

Flash information on the results of a call for proposals

Call identifier: FP7-SIS-2010-1
Call title: FP7-Science-in-Society-2010-1
Collaborative projects (small or medium-scale focused research project) and Coordination and Supporting Actions (supporting)
Published: 30 July 2009
Deadline: 21 January 2010 at 17:00:00 Brussels local time
Budget available (as announced in the work programme): EUR 39.75 million
[possibly broken down into areas, where appropriate]

The Commission, assisted by independent experts, has now completed the evaluation of proposals submitted to the above mentioned call. The names of all the experts used in relation to this theme will be published on CORDIS, on an annual basis.

The results of the evaluation by experts are summarised below: *[possibly broken down into areas, where a separate budget is indicated in the work programme]*

Number of proposals submitted[*]:	96
Number of ineligible proposals:	7
Number of proposals receiving an evaluation score above the applicable threshold:	44
Total budget requested from these above-threshold proposals:	41,315,967.00 EURO

[*This figure includes any proposals transferred from and/or to one or more other calls]

Applicants have been informed of the evaluation scores and comments relating to their own proposals.

The number of proposals that the Commission can finally fund depends on the available budget, the outcome of negotiations, and the completion of the formal procedures.

It is expected that the first grant agreements with successful applicants will be concluded by November 2010.

Information on the selected projects will be published on CORDIS once grant agreements have been established.

[Any other comments regarding the call]

Please contact the central enquiry service if you have any questions about this call, or indeed on any other matter relating to the Seventh Framework Programme:
