EXAMPLE OF A MEASURE SUPPORTED BY THE YOUTH EMPLOYMENT INITIATIVE

Job Placement for youth

The YEI-supported scheme “Job Placement of Young Unemployed Graduates of Lower Secondary, Upper Secondary and Post-Secondary Education up to 2 years for the Acquisition of Work Experience in Enterprises/Organisations” (2014) had a budget of EUR 8.5 million and the target group (beneficiaries) was 2,500 young unemployed under the age of 25 with limited work experience. Through this scheme 1,150 applicants have been placed in suitable positions. Following an evaluation of the scheme carried out in September 2015 which demonstrated its effectiveness in terms of increased employability and labour market attachment, a second call has been published and is under implementation.
