Disclaimer: Figures present the situation for the programming period 2007–2013 implemented up to 2016, as reported by 15th January 2018.

* 7 out of a total of 33 result indicators (and 11 output or impact indicators) were aggregated into common categories. As not all result indicators could be related to one of the categories, the number of results is possibly under-estimated on this aggregated level.
