

# EURES - THE EUROPEAN JOBS NETWORK - in 2017\*

*in a nutshell*

**32**  
EU/EEA  
countries

**2M**  
job vacancies  
on the EURES  
portal

**330 000**  
CVs available on  
the EURES portal

**7 000**  
registered  
employers

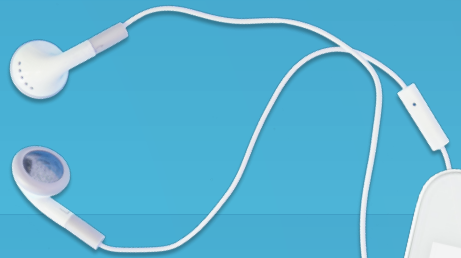

**1.3M**  
cross-border workers

**1 000**  
EURES staff  
available for support

**10 000**  
job seekers registered each year  
during the European Online Job Days

*in 24 hours*

**3 800**  
job seekers and employers  
searching for opportunities

**2 300**  
people assisted by  
EURES staff

**40**  
user requests  
handled by the  
EURES Helpdesk

**300**  
job seekers uploading  
their CVs

**15**  
job placements facilitated  
through the 'Your first  
EURES job' mobility scheme

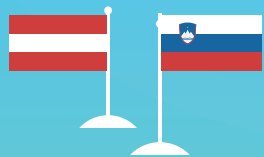

**5**  
new employers  
registered

**4 000**  
job vacancies  
updated

1000 EURES staff work across 32 European countries. That is the size of an average European village working daily to help Europeans find employment.

2M job vacancies are available on the EURES portal - more than the population of Slovenia or Latvia.

1.3M cross-border workers in the EU in 2016 – this is the same number as a city the size of Brussels or Prague.

330 000 CVs equivalent to the entire population of Iceland.

**68%**  
more registered employers  
in the last year

**70%**  
more registered job seekers  
in the last year

**50%**  
more registered vacancies  
in the last two years
