The most important  
success factor for  
Quality Apprenticeships is  
meaningful  
Social Dialogue

..DG, ILO

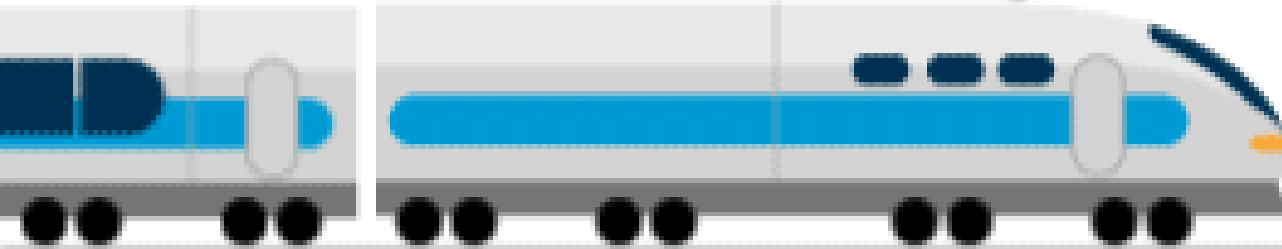

**Do you agree with it?**

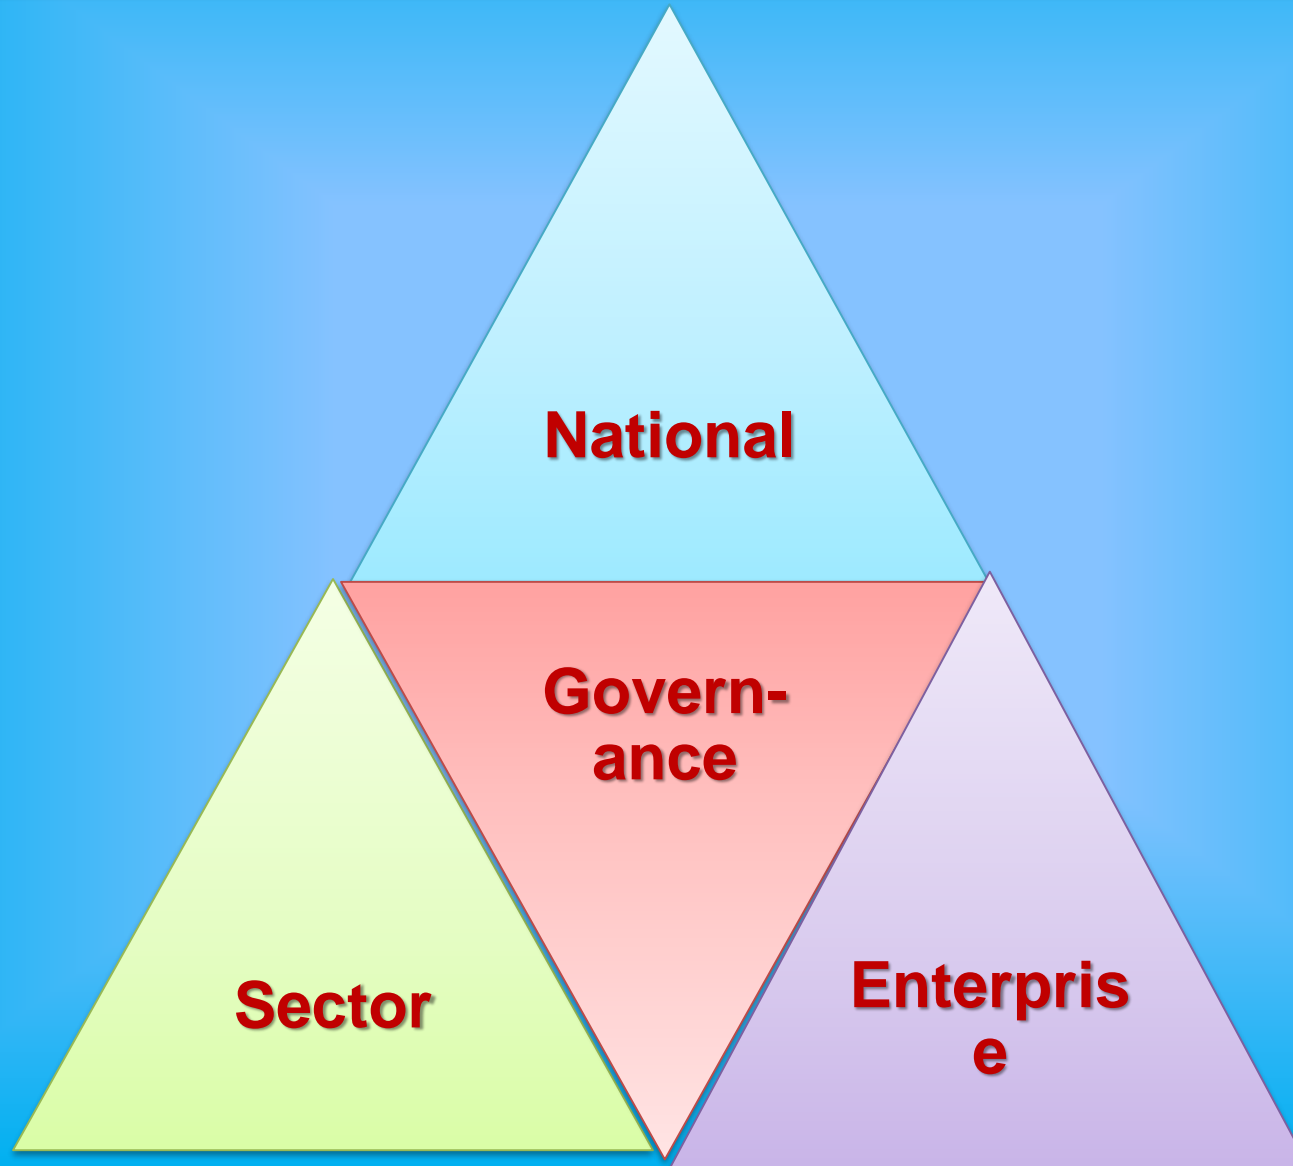

***Yes, it is ...***

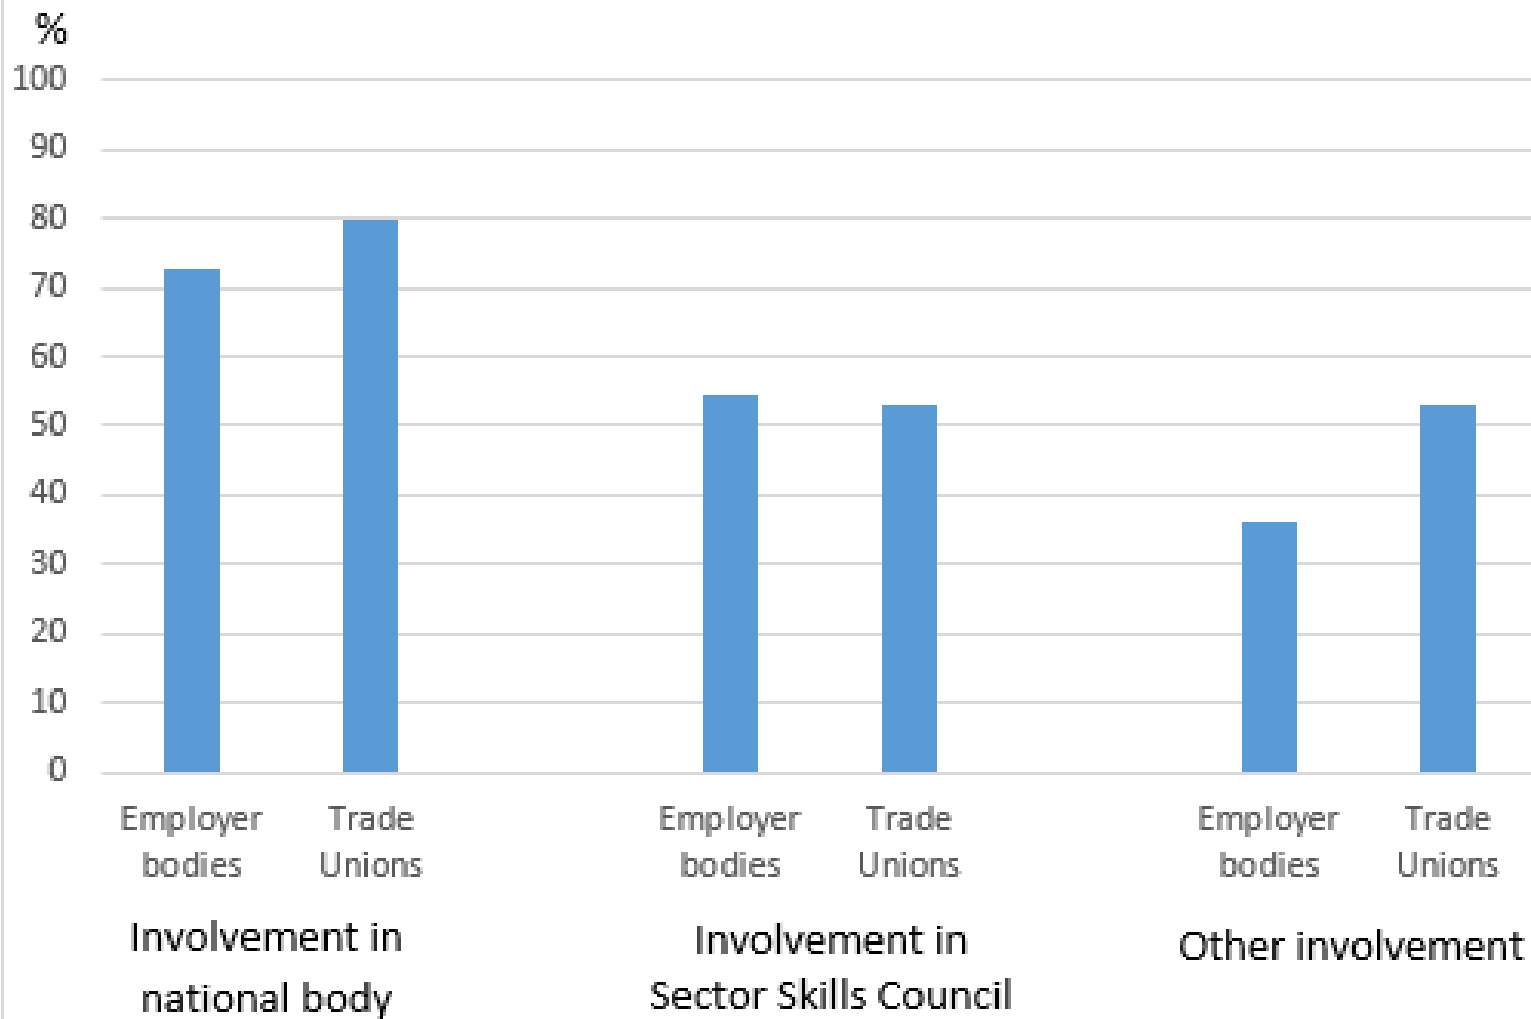

- ***because social partners know which skills are needed and***
- ***they deliver those skills to apprentices***

***Social dialogue is like the  
Engine of a train***

# **Social Partners participate in the governance of Apprenticeships at three levels**

**Proportion of Social Partners reporting involvement in governance relating to apprenticeships, in national or sector level**

**What are main  
challenges to the  
meaningful social  
dialogue in  
apprenticeships?**

# **Steps for strengthening role of Social Partners on Quality Apprenticeships**
