SATISFACTION WITH DIFFERENT SESSIONS AT THE MEETING

13th FEAD Network Meeting: Tackling homelessness through FEAD support

TOP 3 SESSIONS

13th FEAD Network Meeting: Tackling homelessness through FEAD support

RESPONDENTS PRAISED:

The meeting was useful to better understand the key issues and trends surrounding homelessness and the ways in which FEAD can contribute to tackle it.

The meeting had challenged their own perception of homelessness

The meeting led them to examine the ways in which different member states take action to approach the problem.

“ The 13th meeting of FEAD provided a wide spectrum of information and specific problems that together helped me to enlarge my own perception on homelessness. Interactive sessions were illustrative and the networking useful.

“ I received useful information on the different aspects of homelessness, the ways different member states take action combating it and the FEAD aspects of approaching the problem.

13th FEAD Network Meeting: Tackling homelessness through FEAD support

POSSIBLE SUGGESTIONS FOR THE MEETINGS ON THIS OR SIMILAR SUBJECT:

Important issue areas surrounding homelessness

“In some ways, I would like to hear more concrete suggestions

Include discussions around the prevention of homelessness

“There's still a lot of things to discuss about prevention

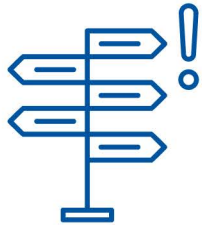

Speak more about the longer-term impacts of FEAD

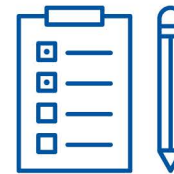

“The food aid/OPI point of view was left as a soup kitchen level discussion; wanted more ambitious options for OPI programmes

13th FEAD Network Meeting: Tackling homelessness through FEAD support

POTENTIAL TOPICS FOR NETWORK MEETINGS IN 2019

Tackling food logistics problems in food distribution.

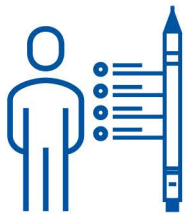

The future of FEAD in the context of the upcoming ESF+ regulation for the next programming period post 2020.

Different models of FEAD implementation in different member states.

The integration of homelessness policies within the housing and health services, and education system (not only with jobs).

Experience of beneficiaries in the public sector and NGOs.

Child poverty, women and how FEAD can help them.
