Coordination of the project

Specific objectives of the project

1. Establishing a ***public*** and ***shared*** the card management system
2. Awareness campaign for ***service providers***
3. Development of an information campaign for ***users***

1. Establishing a public and shared the card management system

- **Procedures** for issuing the card, **cooperation** between the 5 disability institutions **and** validation of the **funding**
- Development and implementation of **information flow**
- **Public procurement** contract for the production of the card

VAPH

The card will be issued on request for Persons with Disabilities who are recognized by one of the **5 institutions** responsible for integration policies

2. Awareness campaign for service providers

- **Collaboration with specialized partners** in the areas of culture, leisure and sports
- Edition of a **brochure for service providers**

Examples of advantages...

- Free admission or discounts for the person with disabilities and/or the accompanying person (or the interpreter)
- Free audio/visual guide
- Explanatory brochures or leaflets adapted
- Adapted guided visits
- Discounts for guided visits
- Accessible places reserved
- Specific pass in the leisure parks for easier access to attractions

3. Development of an information campaign for users

- Development of a **website**, accessible for Persons with disabilities
- Edition of a **brochure for** Persons with disabilities
- Organisation of a **kick-off event** and a **media campaign**

www.eudisabilitycard.be

The screenshot shows the website's header with language options (NL, FR, DE, EN) and a link to 'Andere informatie en diensten van de overheid: www.belgium.be'. The main heading is 'EUROPEAN DISABILITY CARD' with a sub-heading: 'EEN KAART OM DE TOEGANG VAN PERSONEN MET EEN HANDICAP TOT CULTUUR, SPORT EN VRIJETIJDSBESTEDING TE VERGEMAKKELIJKEN'. The central graphic features colorful geometric shapes and icons representing various activities like music, sports, and accessibility. A white box on the right contains the following text:

EU Disability Card

- * Een kaart die de toegang van personen met een handicap tot cultuur, sport en vrijetijdsbesteding bevordert.
- * Een officiële kaart uitgereikt door de Belgische instellingen bevoegd voor personen met een handicap.
- * Een kaart gratis voor de personen met een handicap.
- * Een kaart erkend in 8 Europese landen.
