Summary of the action

Die BA stellt in Deutschland EURES-Dienstleistungen zur Unterstützung der Mobilität von Arbeitnehmerinnen und Arbeitnehmern bereit und hilft Arbeitgebern bei der grenzüberschreitenden Personalgewinnung und der Besetzung von Stellen. Das Your first EURES job-Projekt der BA setzt auf die bestehenden Infrastrukturen und Kooperationsformate des EURES-Netzwerks auf und wird allen EURES-Mitgliedern die Teilnahme ermöglichen, sofern sie über passende Bewerber für Engpassberufe bzw. Arbeitgeberbedarfe in Deutschland verfügen.

Mittels beschäftigungs- und ausbildungsvorbereitender Praktika, zusätzlicher Sprachkursförderung in Deutschland sowie finanzieller Förderhilfen im Hinblick auf die Aufnahme einer Ausbildung oder einer Arbeitsstelle sollen junge Menschen mit hohen Einstellungshürden besonders unterstützt und nachhaltig in Arbeit vermittelt werden. Mit dem Einsatz besonderer Fördermittel soll die Einstellungsbereitschaft seitens der Arbeitgeber erhöht werden. Die ZAV als Mitglied des EURES-Netzwerks wird die operative Basis und Serviceinfrastruktur für die Durchführung des neuen YfEj-Projektes bereitstellen.

An der Kooperation sind insbesondere die Mittragsteller des YfEj-Projektes, die EURES-Mitglieder Finnlands, Irlands, Kroatiens, Niederlande, Slowakei und Spaniens beteiligt.

TMS Your first EURES job - YfEj 6.0	4,643,199.84	VP/2018/009/0012

Summary of the action

TMS YfEj 6.0 will consolidate multi-stakeholder partnerships, bringing together EURES NCOs, regional and local governments, employment service providers, businesses, social partners, education and training organisations and youth and employers themselves, to design common youth result-oriented Targeted Mobility Scheme. The project Consortium in charge of the design, implementation and delivery of the Action, is composed by 30 organisations: 1 Lead applicant (IT), 12 co-applicants (BG, CY, ES, GR, HR, IT, NL, PT, RO), 2 affiliates (IT) and 15 associates (FI, IT, PL, UK). TMS YfEj 6.0 will be implemented at the local, national and European levels to promote the adoption of best practices, effective models and tools by stakeholders in the youth employment and job mobility system, in order to create quality, high-impact recruitment, outcome oriented skill development services and financial incentives that meet both employer and youth needs. At the European level, this multi-stakeholder partnership will also take advantage of economies of scale for knowledge dissemination and communication, while remaining flexible and responsive to local demands. To facilitate achievement of the goals, TMS YfEj 6.0 includes five key components: (i) youth employability policy dialogue and establishment of multi-stakeholder partnerships at European and countries level; (ii) knowledge application and transfer; (iii) provision of services (labour market information and ad hoc assistance on recruitment, placement/post), (iv) provision of support measures and direct financial support, (v) learning, monitoring and evaluation. An additional component (vi) will be focused on the specific experience developed in the European Solidarity Corps project centred on ad hoc services dedicated to trainees with the aim of better supporting them during their mobility experiences and once back in their Country of residence.
