# 17th FEAD Network Meeting: Celebrating Five Years of FEAD

## SATISFACTION WITH DIFFERENT SESSIONS AT THE MEETING

# 17th FEAD Network Meeting: Celebrating Five Years of FEAD

## MOST RELEVANT SESSIONS FOR FEAD-RELATED WORK

# 17th FEAD Network Meeting: Celebrating Five Years of FEAD

## KEY LEARNING

- Success stories about the management and implementation of FEAD;
- Exchange of best practices during the workshop, market place, project visits;
- Improved communication with partner organisations;
- Flexibility and volunteers as key elements of successful FEAD implementation;
- Understanding different context of each member state while implementing FEAD;
- Networking opportunities that allow the improvement of information exchange and learning practices.

### KEY ACHIEVEMENTS:

- Reaching a significant number of end recipients and improving their lives
- Improving social inclusion and combating poverty by providing both material assistance and accompanying measures to diverse and marginalised groups

### KEY CHALLENGES:

- Public procurement and administrative burden
- Necessity to increase capacity of the partner organisations, including logistics and human resources.
