

Application form - Pact for Skills

Fields marked with * are mandatory.

Introduction

The Pact for Skills is a shared engagement and approach to skills development. It is firmly anchored in the principles of the [European Pillar of Social Rights](#) and supports the goals of the [Green Deal](#) and the [digital transformation](#), as set out in the Commission communication “[A strong Social Europe for Just Transitions](#)”.

The Pact aims to mobilise and incentivise private and public stakeholders to take concrete action for the **up skilling and reskilling of people of working age**, and, when relevant, pool efforts in the partnerships.

Joining the Pact:

1. All stakeholders joining the Pact **sign up to the Charter** and its key principles, which they agree to respect and uphold.
2. Signatories of the Pact are invited to **translate their engagement into concrete commitments** on upskilling and reskilling. Commitments must be in line with the key principles and can be built around a number of “enablers” that illustrate concrete ways of implementing the different principles.
3. Commitments are monitored by at least one **key performance indicator**, e.g. number of people taking part in upskilling or reskilling.

IATH, founded in 2014, aims at providing Higher Education Programs (EQF 5) with the goal of developing junior professional figures for management roles in the sectors of tourism and hospitality. The Foundation includes more than 12 companies, 3 Research centres, 2 VET centres and 1 Public Authority. These actors from the tourism industry not only favorites the adherence to a formative path that is necessary in the world of work, but also helps to increase the opportunities of placement for learners. IATH has promoted partnership with companies as HOSCO, ETH, China Hotel Traineeship, to foster international placement; specific agreements are active with NHL-Stenden University of Applied Science, Glion - Les Roches and EHL for those learners aiming at a further upskill. Thus, IATH Academy every year provides high-quality technical and professional training in the tourism sector for more than 200 learners per year, contributing to upskill and reskill of the local touristic sector.
