

Application form - Pact for Skills

Fields marked with * are mandatory.

Introduction

The Pact for Skills is a shared engagement and approach to skills development. It is firmly anchored in the principles of the [European Pillar of Social Rights](#) and supports the goals of the [Green Deal](#) and the [digital transformation](#), as set out in the Commission communication “[A strong Social Europe for Just Transitions](#)”.

The Pact aims to mobilise and incentivise private and public stakeholders to take concrete action for the **up skilling and reskilling of people of working age**, and, when relevant, pool efforts in the partnerships.

The Pact can be joint by any private or public organisation or partnership of organisations which aim to upskill or reskill people of working age.

The organisation(s) need(s) to be based in one of the Member States, EFTA or candidate countries.

Joining the Pact:

1. All stakeholders joining the Pact **sign up to the Charter** and its key principles, which they agree to respect and uphold.
2. Signatories of the Pact are invited to **translate their engagement into concrete commitments** on upskilling and reskilling. Commitments must be in line with the key principles and can be built around a number of “enablers” that illustrate concrete ways of implementing the different principles.
3. Commitments are monitored by at least one **key performance indicator**, e.g. number of people taking part in upskilling or reskilling.

The Higher Vocational School of International Trade and Business Academy offers two specializations. The Business Academy provides education for students from the age of 15 to 19. After the graduation exam, the students receive a leaving certificate. The Higher Vocational School provides education for students with completed secondary education and they finish with the graduation exam, receive a higher vocational school graduation diploma and are entitled to use the title DiS (certified specialist) after his or her name. The school has more than 400 students and about 40 teachers. Our school participates in the European Union project Erasmus+, which provides practical training for students in foreign firms abroad every year. They stay for one month in Ireland, Germany, Spain or France and learn about the country, its people and culture. They work there in a company and gain valuable professional experience.

Signing up to the Charter
