

Application form - Pact for Skills

Fields marked with * are mandatory.

Introduction

The Pact for Skills is a shared engagement and approach to skills development. It is firmly anchored in the principles of the [European Pillar of Social Rights](#) and supports the goals of the [Green Deal](#) and the [digital transformation](#), as set out in the Commission communication "[A strong Social Europe for Just Transitions](#)".

The Pact aims to mobilise and incentivise private and public stakeholders to take concrete action for the **up skilling and reskilling of people of working age**, and, when relevant, pool efforts in the partnerships.

The Pact can be joint by any private or public organisation or partnership of organisations which aim to upskill or reskill people of working age.

The organisation(s) need(s) to be based in one of the Member States, EFTA or candidate countries.

Joining the Pact:

1. All stakeholders joining the Pact **sign up to the Charter** and its key principles, which they agree to respect and uphold.
2. Signatories of the Pact are invited to **translate their engagement into concrete commitments** on upskilling and reskilling. Commitments must be in line with the key principles and can be built around a number of "enablers" that illustrate concrete ways of implementing the different principles.
3. Commitments are monitored by at least one **key performance indicator**, e.g. number of people taking part in upskilling or reskilling.

FormaForm est un dispositif partenarial entre le Forem, Bruxelles Formation et l'IFAPME. Il s'inscrit dans une vision de mutualisation des moyens et de renforcement des organisations par le développement d'une offre commune de formation à destination des formateurs de ces trois institutions.

Son objectif ? Développer les compétences des formateurs professionnels pour leur donner les moyens de former leurs apprenants dans les meilleures conditions tant pédagogiques que techniques. En d'autres termes, aider les formateurs à appréhender les évolutions des métiers, des publics, des pratiques, de l'environnement, du numérique, de la posture du formateur, etc.

En tant que centre de formation inter-opérateurs basé à Louvain-la-Neuve, FormaForm accompagne les acteurs de terrain à travers les évolutions de leurs métiers en mettant en œuvre et en développant des formations professionnelles aux contours variés.
