

Application form - Pact for Skills

Fields marked with * are mandatory.

Introduction

The Pact for Skills is a shared engagement and approach to skills development. It is firmly anchored in the principles of the [European Pillar of Social Rights](#) and supports the goals of the [Green Deal](#) and the [digital transformation](#), as set out in the Commission communication “[A strong Social Europe for Just Transitions](#)”.

The Pact aims to mobilise and incentivise private and public stakeholders to take concrete action for the **up skilling and reskilling of people of working age**, and, when relevant, pool efforts in the partnerships.

The Pact can be joint by any private or public organisation or partnership of organisations which aim to upskill or reskill people of working age.

The organisation(s) need(s) to be based in one of the Member States, EFTA or candidate countries.

Joining the Pact:

1. All stakeholders joining the Pact **sign up to the Charter** and its key principles, which they agree to respect and uphold.
2. Signatories of the Pact are invited to **translate their engagement into concrete commitments** on upskilling and reskilling. Commitments must be in line with the key principles and can be built around a number of “enablers” that illustrate concrete ways of implementing the different principles.
3. Commitments are monitored by at least one **key performance indicator**, e.g. number of people taking part in upskilling or reskilling.

Central Denmark Region strives to ensure a good life for all citizens. Our ambition is to be an attractive and sustainable region contributing to and promoting solutions to major challenges both nationally and globally. To fulfill our ambitions, we know the importance of strong partnerships with knowledge institutions, private and public companies as well as organisations both regionally, nationally and internationally, and we wish to engage in more partnerships to find new solutions to emerging challenges.

Central Denmark Region is one of five Danish regions. The region covers an area of 13,000 square kilometres, includes 19 municipalities and has 1.3 million citizens, equivalent to approximately 23% of the total Danish population. The region has a broad business life with many small and medium-sized production companies, strong creative businesses and a flourishing tourism industry.
