Fields marked with * are mandatory.

Introduction

The Pact for Skills is a shared engagement and approach to skills development. It is firmly anchored in the principles of the [European Pillar of Social Rights](#) and supports the goals of the [Green Deal](#) and the [digital transformation](#), as set out in the Commission communication “[A strong Social Europe for Just Transitions](#)”.

The Pact aims to mobilise and incentivise private and public stakeholders to take concrete action for the **up skilling and reskilling of people of working age**, and, when relevant, pool efforts in the partnerships.

The Pact can be joint by any private or public organisation or partnership of organisations which aim to upskill or reskill people of working age.

The organisation(s) need(s) to be based in one of the Member States, EFTA or candidate countries.

Joining the Pact:

1. All stakeholders joining the Pact **sign up to the Charter** and its key principles, which they agree to respect and uphold.
2. Signatories of the Pact are invited to **translate their engagement into concrete commitments** on upskilling and reskilling. Commitments must be in line with the key principles and can be built around a number of “enablers” that illustrate concrete ways of implementing the different principles.
3. Commitments are monitored by at least one **key performance indicator**, e.g. number of people taking part in upskilling or reskilling.

LANDURLAUB Mecklenburg-Vorpommern e. V. (Rural Tourism Association of Mecklenburg-Vorpommern) was founded in 1991. Our aim was and is to create and promote alternative sources of income for farmers and the rural population. Due to the extensive structures in Mecklenburg-Western Pomerania, LANDURLAUB means more than just a holiday on a farm. The variety of offers also includes manor houses, riding stables, haystores, farm shops, farm cafés and many different adventure providers. Our professional association supports its members with professional advice, both before and after the opening of a business. Particular importance is attached to quality assurance. This is achieved through various certification systems, a wide range of training opportunities and study trips. The association supports the development of offers. LANDURLAUB M-V e. V. prepares the marketing of the rural tourism services, various print products and uses several internet portals.
