

Application form - Pact for Skills

Fields marked with * are mandatory.

Introduction

The Pact for Skills is a shared engagement and approach to skills development. It is firmly anchored in the principles of the [European Pillar of Social Rights](#) and supports the goals of the [Green Deal](#) and the [digital transformation](#), as set out in the Commission communication "[A strong Social Europe for Just Transitions](#)".

The Pact aims to mobilise and incentivise private and public stakeholders to take concrete action for the **up skilling and reskilling of people of working age**, and, when relevant, pool efforts in the partnerships.

The Pact can be joint by any private or public organisation or partnership of organisations which aim to upskill or reskill people of working age.

The organisation(s) need(s) to be based in one of the Member States, EFTA or candidate countries.

Joining the Pact:

1. All stakeholders joining the Pact **sign up to the Charter** and its key principles, which they agree to respect and uphold.
2. Signatories of the Pact are invited to **translate their engagement into concrete commitments** on upskilling and reskilling. Commitments must be in line with the key principles and can be built around a number of "enablers" that illustrate concrete ways of implementing the different principles.
3. Commitments are monitored by at least one **key performance indicator**, e.g. number of people taking part in upskilling or reskilling.

Started 2017, EU Women has the aim to defend and strengthen democratic values, ethical principles and women's rights in Europe. The workshop EU Women Writing is a reading podium for stories by women who live in Europe and by men who value women. Every woman and every man has a story to tell. In established academic, business, political and artistic circles, women's perspective is often absent, and so women's stories are not passed down.

We want to play our part by collecting and spreading women's knowledge.

People learn through stories and learn about themselves. Emotions help us to understand Europe and the world.

We look forward to stories with light and shadow, to sketches about ordinary things, to literary ventures.

We meet via Zoom on the first Thursday of every month from 6.30 to 8 pm.

Every month has a theme. Every month the contributions are recorded and published the following week on our YouTube channel.
