

Application form - Pact for Skills

Fields marked with * are mandatory.

Introduction

The Pact for Skills is a shared engagement and approach to skills development. It is firmly anchored in the principles of the [European Pillar of Social Rights](#) and supports the goals of the [Green Deal](#) and the [digital transformation](#), as set out in the Commission communication “[A strong Social Europe for Just Transitions](#)”.

The Pact aims to mobilise and incentivise private and public stakeholders to take concrete action for the **up skilling and reskilling of people of working age**, and, when relevant, pool efforts in the partnerships.

The Pact can be joint by any private or public organisation or partnership of organisations which aim to upskill or reskill people of working age.

The organisation(s) need(s) to be based in one of the Member States, EFTA or candidate countries.

Joining the Pact:

1. All stakeholders joining the Pact **sign up to the Charter** and its key principles, which they agree to respect and uphold.
2. Signatories of the Pact are invited to **translate their engagement into concrete commitments** on upskilling and reskilling. Commitments must be in line with the key principles and can be built around a number of “enablers” that illustrate concrete ways of implementing the different principles.
3. Commitments are monitored by at least one **key performance indicator**, e.g. number of people taking part in upskilling or reskilling.

EUC has been gaining local, regional and global acknowledgement of our efforts to be a student-focused and innovative institution, with an emphasis on an international orientation, sustainability and industry /community engagement.

We are investing in renewable energy by continually trying to reduce waste and utility bills by employing an energy conservation program. We are following accreditation procedures under the recognized environmental management systems (ISO, Green Campus Matrix). Facilities and student residences are health and safety inspected and perform based on accreditation standards. We sustainably support student-led environmental initiatives. EUC implements a thorough environmental policy as well as a Health and Safety policy that is updated continually and is aligned with all European legislation, guidance and procedures. EUC takes all reasonable steps to manage its operations in order to minimize its environmental impact and to promote good environmental practice.
