Network Highlights

PES Network responses to Ukraine – a story of European solidarity

One year after the invasion of Ukraine, the Chair of the European PES Network and a Director of the Polish PES are both guests on the latest episode of PESPod to discuss how Public Employment Services (PES) have responded to the ensuing crisis. Find out more about the solidarity shown with people fleeing the invasion, but also the solidarity between PES as they have searched for the right responses. [See more](#)

Challenging PES environment drives collaboration with employers

The latest European report on PES Capacity highlights recent reforms and trends in PES, such as reinforced ties and collaboration with employers as a result of the pandemic. [See more](#)

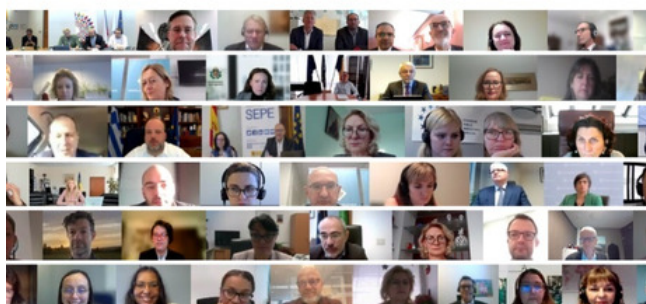

What's on the agenda of the PES Network in 2023?

Discover the key topics in the 2023 work programme of the European PES Network and what the Network delivered in 2022. [See more](#)

Take inspiration from the new PES practices published in 2022

Explore the latest practices on PES approaches to supporting the labour market integration of vulnerable and young people, skills development, using data to improve PES services and more. [See more](#)
