PES Network Stakeholder Conference addresses the skills revolution

The conference "Empowering the Workforce, Bridging the Skills Gap" reflected on the rapidly changing skills requirements of the European labour market and the "skills ecosystem" that is emerging in response. [See more](#)

PES Network's latest 'Benchlearning' cycle: a story of European solidarity

The PES Network recently concluded its third cycle of peer benchlearning assessments of European PES, which have fed directly into mutual learning activities aiming to build the capacity and performance of PES. Held in the context of COVID-19, the latest cycle has demonstrated tremendous solidarity amongst PES. [See more](#)

PES Network webinar "Improving outreach to groups farther from the labour market"

A recent PES Network webinar showcased inspiring examples of how PES and their partners are reaching people at risk of being marginalised from the labour market. The examples showed highly transferable approaches for outreach focused respectively on migrants, young people and women who have taken time out of their careers. [See more](#)
