**(4) In section “5. Actions implemented under indirect management”, point 5.2 is added as follows:**

**“5.2. Contribution agreement with the UNICEF for implementing actions related to social inclusion and provision of services to Ukrainian refugee children in Poland**

**Implementing entity**

Entrusted implementation tasks and funds to the United Nations International Children's Emergency Fund (UNICEF), on the basis of Articles 62(c)(ii) and 154 of the Financial Regulation.

UNICEF is an agency of the United Nations, which is responsible for providing humanitarian and developmental aid to children worldwide. The agency is among the most widespread and recognizable social welfare organizations in the world, with a presence in 192 countries and territories. UNICEF's activities include providing immunizations and disease prevention, administering treatment for children and mothers with HIV, enhancing childhood and maternal nutrition, improving sanitation, promoting education, and providing emergency relief in response to disasters.

**Objectives pursued**

Fostering active socio-economic inclusion of Ukrainian refugee children in Poland, enhancing equal and timely access to quality, sustainable and affordable services, including healthcare, education, social protection and housing.

**Expected results**

De-institutionalisation of Ukrainian children

**Description of the activities to be funded**

The action is addressing the needs of the children fleeing Ukraine and currently residing in large reception facilities in Poland, in line with the deinstitutionalisation requirements (following the United Nations Convention on the Rights of Persons with Disabilities, UNCRPD) and including their relocation needs, accommodation in smaller groups facilities, care services and socio-psychological services needed for the purpose.

**Implementation**

Through a contribution agreement with UNICEF
