

**Government Ordinance no. 48/2006 on the modification of the Law
no. 217/2005 on the establishment , organization and functioning of European Work
Councils**

- Extract -

Art. 1

Law no. 217/2005 on the establishment, organization and functioning of European Work Councils, published in the Official Journal of Romania Part. I, no. 628 of July 19th 2005, is modified as follows:

Para 1

At article 4, points 1 and 3 shall have the following content:

1. “Undertaking” means a public or private undertaking carrying out an economic activity, whether or not operating for gain.

3. Employees' representatives - means representatives of trade unions organizations or the persons chosen and mandated to represent employees, according to the law and/or national practice.

Para 2

At article 5, paragraph (1), letter a) shall have the following content:

(1) The present law applies to:

Community-scale undertakings or to Community-scale groups of undertakings with central management situated in Romania or in another MS of EU or EEA.

Para 3

Article 6 is repealed.

Para 4

At article 42, paragraph (1) shall have the following content:

(1) Members of special negotiating bodies, members of European Works Councils and employees' representatives employed in Romania shall, when exercising their functions, benefit of the rights provided by the national legislation for employees' representatives or for the persons elected as leaders of the trade unions.
