[Join the Alliance and submit your pledge](#)

The Council Recommendation on a [European Framework for Quality and Effective Apprenticeships \(EFQEA\)](#) adopted on 15 March 2018 describes apprenticeships as “formal vocational education and training schemes” whereby learning alternates between learning in school and training in the workplace, leading to the acquisition of a formal qualification. Quality apprenticeships are paid and regulated by a work contract between the apprentice and the employer. You can learn more about apprenticeships [here](#).

By joining the Alliance, pledgers commit to strengthening one or more of the main EAFa objectives, promoting apprenticeships, and upholding the 14 EFQEA criteria for quality and effective apprenticeships.

The originator of the pledge is solely responsible for implementing the actions outlined and commits to report on the implementation of the commitments at least once per year. The pledge and reported results will be published on the EAfA webpage, and may be used for communication purposes.

Pledges are accepted from EU countries, EFTA countries and EU candidate and partner countries.

The pledges should demonstrate concrete commitment and actions that will strengthen apprenticeships when it comes to one or more of the following aspects:

1. Increasing their supply
2. Improving their quality
3. Improving their image
4. Enhancing mobility of apprentices
5. Supporting the twin green/digital transition
