The process of renewing an existing pledge allows EAFa members to update the content of their pledge (including the contact details), select relevant actions and related KPIs under each main EAFa objectives and accept the new privacy note allowing EAFa and the Apprenticeship Support Services to continue involving EAFa members in the Alliance's activities.

If your organisation has already applied or renewed your pledge through this online form, you can change the information included in your application by clicking [here](#) and inserting your contribution ID (You can ask the contribution ID to the person that registered your organisation through this online form, or contact us via email at EAFamembers@ecorys.com). Once you modify the desired fields, click submit and your application is updated.

By clicking 'Save as Draft' on the right-end side of this webpage, you can save your contribution as a draft at any point and continue later. If you wish to download the full questionnaire in PDF version, you can also do so through the right-hand side of the screen under 'Background Documents'.

[Join the Alliance and submit your pledge](#)

The Council Recommendation on a [European Framework for Quality and Effective Apprenticeships \(EFQEA\)](#) adopted on 15 March 2018 describes apprenticeships as “formal vocational education and training schemes” whereby learning alternates between learning in school and training in the workplace, leading to the acquisition of a formal qualification. Quality apprenticeships are paid and regulated by a work contract between the apprentice and the employer. You can learn more about apprenticeships [here](#).

By joining the Alliance, pledgers commit to strengthening one or more of the main EAFa objectives, promoting apprenticeships, and upholding the 14 EFQEA criteria for quality and effective apprenticeships.

The originator of the pledge is solely responsible for implementing the actions outlined and commits to report on the implementation of the commitments at least once per year. The pledge and reported results will be published on the EAfA webpage, and may be used for communication purposes.

Pledges are accepted from EU countries, EFTA countries and EU candidate and partner countries.

The pledges should demonstrate concrete commitment and actions that will strengthen apprenticeships when it comes to one or more of the following aspects:

1. Increasing their supply
2. Improving their quality
3. Improving their image
4. Enhancing mobility of apprentices
5. Supporting the twin green/digital transition

We provide an enabling space to people from inauspicious environments and equip them with necessary digital skills to access today's labour market, while increasing their chances at equal treatment. The volunteer trainers and educators are involved in the integration process, organisation of exhibitions and events, video scenography and artistic expressions that highlight rich cultural heritage knowledge. We provide several times weekly classes of Greek, English, computer and financial literacy, cultural communication, entrepreneurial mindset, environmental protection. We are actively involved in different projects that promote opportunities and success stories for youth to broaden their careers, as well as local networks with touristic enterprises and educational centres.
