[Join the Alliance and submit your pledge](#)

The Council Recommendation on a [European Framework for Quality and Effective Apprenticeships \(EFQEA\)](#) adopted on 15 March 2018 describes apprenticeships as “formal vocational education and training schemes” whereby learning alternates between learning in school and training in the workplace, leading to the acquisition of a formal qualification. Quality apprenticeships are paid and regulated by a work contract between the apprentice and the employer. You can learn more about apprenticeships [here](#).

By joining the Alliance, pledgers commit to strengthening one or more of the main EAFa objectives, promoting apprenticeships, and upholding the 14 EFQEA criteria for quality and effective apprenticeships.

The originator of the pledge is solely responsible for implementing the actions outlined and commits to report on the implementation of the commitments at least once per year. The pledge and reported results will be published on the EAfA webpage, and may be used for communication purposes.

Pledges are accepted from EU countries, EFTA countries and EU candidate and partner countries.

The pledges should demonstrate concrete commitment and actions that will strengthen apprenticeships when it comes to one or more of the following aspects:

1. Increasing their supply
2. Improving their quality
3. Improving their image
4. Enhancing mobility of apprentices
5. Supporting the twin green/digital transition

Operating under the Ministry of the Economy and Maritime Affairs, Turismo de Portugal (TdP) is Portugal's National Tourism Authority. Responsible for the promotion, enhancement, and sustainability of the tourism business, it brings together all the institutional competences involved in making tourism more dynamic, from supply to demand. Enjoying a privileged relationship with other public entities and economic agents in Portugal and abroad, TdP are committed to strengthening tourism as one of the main driving forces for the growth of the Portuguese economy. TdP manages a network of 12 schools that aim to teach and train young people, adults, and professionals to prepare them to become the best professionals in the tourism sector. With curricular programs adapted to the needs of the market, TdP Schools have a 94% graduate employment rate. We graduate 3000 young people and 7500 professionals each year and provide online training for more than 30000 people each year (after 2020).

* What is your motivation for joining the EAfA?

500 character(s) maximum

Joining the EAfA is very important to us, given our focus on professional training for the Tourism sector. In the context of our school network, we have already developed On the Job training. Although not a true learning methodology, this is based on the close interaction with the business sector, which motivates us to learn and deepen our knowledge of this methodology. Thus, we intend to learn, share and evolve in these areas, effectively increasing the quality of our own training.

* What are the benefits you expect from your organisation's participation in the EAfA?*

500 character(s) maximum

We will benefit from learning about the Alliance, the examples and good practices developed in other countries, understanding the constraints that exist for its implementation and the path to enhance the introduction of the methodology in our network of schools. We will also benefit from learning how to enhance the involvement of the business sector, better understanding the work carried out in the tourism sector of other countries to enhance the involvement of companies successfully.

* Please indicate the starting year of your pledge:

2021

* You are applying:

- On your own (as one organisation)
- In partnership with one or more organisations

Your objectives

In the following section(s), you will be asked to provide information on the key activities and related key performance indicators (KPIs) and target groups for each EAfA objective your pledge will contribute to. You will also be able to describe your action in more detail in a free text box and include activities that may not be already listed.

The objectives selected will affect the information you are shown in the following sections. Deselecting these options may cause you to lose information provided in the following questions.

The following [document](#) contains the full list of actions, related KPIs, and target groups, which you may use as guidance.

* Please select the EAfA objective(s) that your pledge will contribute to: (select all that apply)

- Increase the **supply** of apprenticeships
- Improve the **quality** of apprenticeships
- Enhance the **image** of apprenticeships
- Promote European **mobility** of apprentices
- Support the twin **green/digital** transition
- I am not sure and would like to receive further assistance from the Support Services

Joining the European Alliance for Apprenticeships

Please confirm your understanding of the EAfA principles – by ticking all 3 boxes. By ticking the boxes, you:

- Agree with the understanding of apprenticeships[i], as set out in the European Framework for Quality and Effective Apprenticeships (EFQEA) and to contribute to the implementation of this Framework.

For the supply of apprenticeships, commit as relevant to apply the learning and working conditions set out in the European Framework for Quality and Effective Apprenticeships (EFQEA).[ii]

Commit to the extent possible to provide updates on activities related to this pledge, in the yearly survey on EAfA pledges.

[i] Apprenticeships are understood as formal vocational education and training schemes that

a) combine learning in education or training institutions with substantial work-based learning in companies and other workplaces,

b) lead to nationally recognised qualifications,

c) are based on an agreement defining the rights and obligations of the apprentice, the employer and, where appropriate, the vocational education and training institution, and
