## INTRODUCTORY NOTE

*In collaboration with the Member States, the European Commission has established the "EXCISE DUTY TABLES" showing rates in force in the Member States of the European Union.*

*As from 1 January 2007 this publication:*

*\* covers all EU Member States;*

*\* has been divided into three different sections:*

- I        Alcoholic Beverages*
- II       Energy products and Electricity*
- III      Manufactured Tobacco.*

*This publication aims to provide up-to-date information on Member States main excise duty rates as they apply to typical products. The information is supplied by the respective Member States. The Commission cannot be held responsible for its accuracy or completeness, neither does its publication imply an endorsement by the Commission of those Member States' legal provisions.*

*It is intended that Member States will regularly communicate to the Commission all modifications of the rates covered by this publication and that revised editions of the tables will be published twice a year.*

*To this end, it is vital that all changes to duty structures or rates are advised by Member States to the Commission as soon as possible so that they may be incorporated in the tables with the least possible delay. All details should be sent to:*
