Subject: Consolidated version of the Transit Manual

Please find enclosed the final version of the Consolidated Transit Manual, following proof reading of the text.

This version comprises the following previously agreed amendments:

- Goods carried by rail;
- Recovery request from another competent authority and issuing duplicates;
- Customs Goods Manifest;
- Proof of the customs status of Union goods for transhipped sea-fishing products;
- Control Results Codes;
- Use of an electronic transport document as a customs transit declaration for air transport or maritime transport;
- Use of the International TIR Data Bank (ITDB);
- Rules of Procedure of the EU-Common Transit Countries Joint Committees on Common Transit and on Simplification of Formalities in Trade in Goods;
- Determining the offices of transit;
- Non-printing of substantial List of Items (LoI);
- The standard procedure for rail and its particularities.

The Consolidated Transit Manual is now being translated into all official EU languages. They will be added to TAXUD's website as soon as they are completed in August 2021.
