REGIONE DEL VENETO

E.U. Transport Strategy:
Motorways of the sea and inland corridors network integration (TEN-T strategy) by planning coastal and inland **intermodal platforms** development

Geographic vision:
The **North Adriatic Sea** as a potential Port Area Network (Rijeka-Koper-Trieste-Venice-Ravenna) of more than **100 millions ton/year**

E.U. policy making:
Transport policy and **regional policy** collaborating in a competitive perspective of **market economy diffusion** and balanced **spatial growth**
