

SUPPORTING EUDR IMPLEMENTATION AND COMPLIANCE: FSC'S ALIGNED FOR EUDR

Matteo Mascolo, Lead, EU Affairs & Engagement
EU Commission EUDR multi-stakeholder Platform
Brussels, 24 Sept 2024

AT A GLANCE

Today we lead the world's most rigorous and trusted forest certification system, trusted by NGOs, consumers, and businesses alike.

30

years of operation

160+

million certified
hectares of forest

1,200+

individuals and organizations
make up our governing body
across 92 countries

85

locally-adapted
forest stewardship standards

46%

of consumers globally
recognize the FSC logo

1,700+

companies licenced to
promote FSC-labelled products

60K+

certifications that
verify sustainable sourcing

#1

most recognized, trusted,
and rigorous forest
certification system

EUDR & FSC are mutually supportive

1. FSC has **fought deforestation for 30 years**: our standards prevent deforestation and degradation.
2. FSC can **effectively complement and support sustainability due diligence legislations**, including EUDR (e.g. WWF EUDR Guidance, 2024; UNCTAD, 2024).
3. FSC is an **effective tool to fight deforestation** (e.g. Tritsch and all, 2020)

Supporting compliance – FSC Aligned for EUDR

FSC ALIGNED CERTIFICATION FOR EUDR

FSC Regulatory Module FSC-STD-01-004

Add-on module that builds on FSC's rigorous responsible forestry practices with specific EUDR regulatory expectations around risk, due diligence, & transparency in supply chains.

FSC Risk Assessment Framework

Provides relevant requirements to assess risk of sourcing from supply areas and outlines how to develop and revise risk assessments for a country or geographic area.

Supporting technology: Risk Hub

A place where risk assessments will be published and maintained to support the data management of these evolving documents.

FSC ALIGNED REPORTING FOR EUDR

Due diligence reports & statements

FSC Aligned Reporting for EUDR

Automated data compilation that help companies deliver the required Due Diligence Reports & Statements

FSC Aligned for EUDR - Early Adopter Programme

Industries

- Wood products
- Rubber
- Wood composites
- Paper and packaging
- Adhesive tapes
- Books

FSC Aligned for EUDR - Early Adopters

The EUDR Early Adopter Programme has helped us to fully appreciate the scope of the EUDR process and provided us with an excellent template to work from.

HELENA ARNOLD
Panda Panel Agencies Ltd.

Implementing the simplified risk assessment template eased the complexity of compliance with EUDR by synthesizing the most essential elements in one template.

ELIAN ALVARADO
Grupo Fortaleza

EUDR Compliance Countdown: How FSC Can Support

Join us for a free webinar to make sure
you're prepared for the December deadline.

2 October 2024 - 10:00 and 15:00 CEST

FSC supports the EUDR on the ground

EUDR IS THE START,
NOT THE FINISH.

✓ EUDR and FSC are **complementary** and **mutually supportive**

✓ FSC is **aligned with EUDR** and offers a familiar format for implementation.

✓ FSC is a **comprehensive tool** that can support EUDR compliance and enforcement.

✓ FSC is a **strong EUDR supporter** – and can help companies comply and go beyond EUDR.
