1. **Background**

The Commission's Directorate General for Mobility and Transport ("DG MOVE") has set up a group of experts on external aviation matters ("the group") to provide the Commission with expertise in this field.

The group’s tasks shall be to:

- Gather views and expertise in the implementation of the EU’s external aviation policy; 
- To provide the Commission with advice for the implementation of the EU’s external aviation policy; 
- Exchange experience and information in the field of external aviation.

The Commission is calling for applications with a view to selecting members of the group other than Member States’ authorities.

2. **Features of the Group**

2.1. **COMPOSITION**

Members shall be Member States' authorities and organisations representing the main stakeholders of the European aviation sector (associations, individual companies where no associations exist, trade unions etc.) with a legitimate interest in developing and implementing the EU’s external aviation policy. These organisations shall be selected through the present call for applications.

All members shall appoint their representatives on an ad hoc basis, depending on the meeting agenda of the group and shall be responsible for ensuring that their representatives provide a high level of expertise. DG MOVE may refuse the nomination of a representative by an organisation if it considers this nomination inappropriate in light of the requirements specified in Chapter 4 of this call and of the specific meeting agenda. In such case, the organisation concerned shall be asked to appoint another representative.

2.2. **APPOINTMENT**

Members shall be appointed by the Director General of DG MOVE among applicants complying with the requirements referred to in chapter 4 of this call.

Members shall remain in office until replaced.

Registration in the Transparency Register is required in order for organisations to be appointed.

Members who are no longer capable of contributing effectively to the group’s tasks, who in the opinion of DG MOVE do not comply with the conditions set out in Article 339 of the EU’s external aviation policy please see the Communications "An Aviation Strategy for Europe", COM(2015) 598 final; and "The EU’s External Aviation Policy - Addressing Future Challenges", COM(2012) 556 final or consult the respective part of the Commission's website on https://ec.europa.eu/transport/modes/air/international Aviation_en.

---

Treaty on the functioning of the European Union or who resign, shall no longer be invited to participate in meetings of the group and may be replaced.

2.3 **RULES OF ENGAGEMENT AND OPERATION OF THE GROUP**

The group shall be chaired by a representative of DG MOVE.

The group shall act at the request of DG MOVE in compliance with the Commission’s horizontal rules on expert groups (‘the horizontal rules’).\(^2\)

In principle, the group shall meet as often as necessary to fulfill its task and in principle at least two (2) times per year on Commission premises in order to discuss issues relevant to the above-mentioned group's tasks. DG MOVE shall act as secretariat.

Members' representatives should be prepared to attend meetings systematically, to contribute actively to discussions in the group and to be involved in potential preparatory work ahead of meetings.

As a general rule, most working documents will be drafted in English and meetings will be also conducted in English.

The group shall adopt its opinions, recommendations or reports by consensus.

In agreement with DG MOVE, the group may, by simple majority of its members, decide that deliberations shall be public.

Participants in the activities of the group shall not be remunerated for the services they offer. Travel and subsistence expenses incurred by participants in the activities of the group will not be reimbursed by the Commission.

The members of the group and their representatives, as well as invited experts, are subject to the obligation of professional secrecy, which by virtue of the Treaties and the rules implementing them applies to all members of the institutions and their staff, as well as to the Commission's rules on security regarding the protection of Union classified information, laid down in Commission Decisions (EU, Euratom) 2015/443\(^3\) and 2015/444\(^4\). Should they fail to respect these obligations, the Commission may take all appropriate measures.

On a proposal by and in agreement with DG MOVE the group shall adopt its rules of procedure on the basis of the standard rules of procedure for expert groups.

DG MOVE may invite experts with specific expertise with respect to a subject matter on the agenda to take part in the work of the group or sub-groups on an ad hoc basis.

2.4 **TRANSPARENCY**

The group shall be registered in the Register of Commission expert groups and other similar entities (‘the Register of expert groups’).

As concerns the group composition, DG MOVE shall publish the following data on the Register of expert groups:

1. Introduction

This privacy statement explains the reason for the processing, the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you may exercise in relation to your data (the right to access, rectify, block etc.).

The European institutions are committed to protecting and respecting your privacy. As this service/application collects and further processes personal data, Regulation (EC) Nº45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data, is applicable.

This statement concerns the Register of Commission Expert Groups and Other Similar Entities (‘Register of expert groups’) undertaken by the European Commission, Secretariat-General, Head of Unit B.2 (Institutional Affairs). The Register is a database containing a list of Commission expert groups and other similar entities and their sub-groups. For each expert group, the Register provides valuable information including on the Commission department which is running the group, as well as on the group members, mission and tasks. The Register also includes relevant documents which are produced and discussed by expert groups.

Personal data submitted to Commission departments as part of rejected applications are not published on the Register of expert groups. The competent Commission departments keep these data for six months and do not process them for other purposes.

2. Why do we process your data?

Purpose of the processing operation: The European Commission, Secretariat-General, Head of Unit B.2 (Institutional Affairs) (‘the Data Controller’) collects and uses your personal information to ensure transparency on expert groups’ membership and activities.

The processing and publication on the Register of expert’s personal data is necessary for the performance of a task carried out in the public interest, since it increases the transparency on Commission expert groups (article 5 (a) of Regulation (EC) No 45/2001).

As regards, in particular, the declarations of interests filled in by experts appointed in a personal capacity, the processing of personal data of these experts serves the public interest of enabling the Commission to verify the experts’ independence in providing advice to the Commission. Furthermore, the public disclosure of declarations of interests allows for public scrutiny of the interests declared by experts appointed in a personal capacity, which is necessary in order to ensure public confidence in the independence of these experts. The public disclosure of declarations of interests also ensures a high degree of transparency with respect to the membership of expert groups and aims at contributing to fostering the integrity of the experts in question.

Art 27 of Regulation (EC) No 45/2001 is not applicable.

3. **Which data do we collect and process?**

The personal data collected and further processed may be:

- Name;
- Professional title;
- Professional profile;
- Nationality;
- Gender;
- Interest represented (only for individuals applying to be appointed as members of expert groups or sub-groups representing a common interest and for the designated representatives of organisations applying to be appointed members of expert groups or sub-groups);
- Information included in the declarations of interest (only for individuals applying to be appointed as members of expert groups or sub-groups in a personal capacity).

4. **How long do we keep your data?**

The Data Controller only keeps the data for the time necessary to fulfil the purpose of collection or further processing.

When an individual is no longer participating in a group listed in the Register of expert groups, all personal information related to this individual is removed from the Register. The competent Commission departments keep personal information for 5 years after the date where relevant individuals cease to participate in the work of the group.
Declarations of interests of individuals appointed as members or alternate members in a personal capacity of expert groups or sub-groups are published on the Register as long as they are members.

When a group is closed down, it remains published in the Register of expert groups for five years, with the indication 'Closed'. During such time, personal information other than the above-mentioned declarations of interests is visible on the Register.

An XML file is created daily with all the information regarding active groups. All versions of this file, showing the situation of the Register as of the day it was created, are stored in a file server for 5 years.

5. **How do we protect your data?**

All data in electronic format (e-mails, documents, uploaded batches of data etc.) are stored either on the servers of the European Commission or of its contractors, the operations of which abide by the European Commission’s security decision of 16 August 2006 [C(2006) 3602] concerning the security of information systems used by the European Commission.

The Commission’s contractors are bound by a specific contractual clause for any processing operations of your data on behalf of the Commission, and by the confidentiality obligations deriving from the transposition of Directive 95/46/CE.

6. **Who has access to your data and to whom is it disclosed?**

Information collected is publicly available on the Register of expert groups.

The XML files referred to in point 4 are not available neither via the internal application of the Register or the public version of the Register, and are only accessible to a reduced number of users in the System Owner and System Supplier's teams.
7. **What are your rights and how can you exercise them?**

According to Regulation (EC) n°45/2001, you are entitled to access your personal data and rectify and/or block it in case the data is inaccurate or incomplete.

If you do not wish to have your name published on the Register of expert groups, you may submit a request to the relevant Commission department for a derogation from publication. A derogation shall be granted where justified on compelling legitimate grounds in relation to your specific situation, in particular where disclosure of the experts’ name could endanger your security or integrity.

You can exercise your rights by contacting the secretariat of the competent Commission department or in case of conflict the Data Protection Officer and if necessary the European Data Protection Supervisor using the contact information given at point 8 below.

8. **Contact information**
