1. INFORMATION ON TENDERING

1.1. Participation

Participation in this tender procedure is open on equal terms to all natural and legal persons coming within the scope of the Treaties and to all natural and legal persons in a third country which has a special agreement with the Union in the field of public procurement on the conditions laid down in that agreement. Where the Multilateral Agreement on Government Procurement\(^1\) concluded within the WTO applies, the participation to the call for tender is also open to nationals of the countries that have ratified this Agreement, on the conditions it lays down.

1.2. Contractual conditions

The tenderer should bear in mind the provisions of the draft contract which specifies the rights and obligations of the contractor, particularly those on payments, performance of the contract, confidentiality, and checks and audits.

1.3. Joint tenders

A joint tender is a situation where a tender is submitted by a group of economic operators (consortium). Joint tenders may include subcontractors in addition to the joint tenderers.

In case of joint tender, all economic operators in a joint tender assume joint and several liability towards the Contracting Authority for the performance of the contract as a whole.

These economic operators shall designate one of them to act as leader with full authority to bind the grouping or the consortium and each of its members. It shall be responsible for the receipt and processing of payments for members of the grouping, for managing the service administration and for coordination. The composition and constitution of the grouping or consortium, and the allocation of the scope of tasks amongst the members, shall not be altered without the prior written consent of the Commission.

The tenderers should indicate in their offer whether the partnership takes the form of:

a) a new or existing legal entity which will sign the contract with the Commission in case of award

or

b) a group of partners not constituting a new legal entity, who via a power of attorney, signed by an authorised representative of each partner (except the lead partner), designate one of the partners as lead partner, and mandate him as lead contractor to sign the contract with the Commission in case of award.

\(^1\) See http://www.wto.org/english/tratop_E/gproc_e/gp_gpa_e.htm
1.4. **Subcontracting**

Subcontracting is permitted in the tender but the contractor will retain full liability towards the Contracting Authority for performance of the contract as a whole.

Tenderers must give an indication of the part of the services and proportion of the contract that they intend to subcontract.

Tenderers are required to identify subcontractors whose share of the contract is above 20%.

During contract execution, the change of any subcontractor identified in the tender will be subject to prior written approval of the Contracting Authority.

1.5. **Content of the tender**

The tenders must be presented as follows:

Part A: Identification of the tenderer (see section 1.6)

Part B: Evidence for exclusion criteria (see section 2.2)

Part C: Evidence for selection criteria (see section 2.3)

Part D: Technical offer (see section 2.5)

Part E: Financial offer (see section 2.6)

Part F: Power of attorney (for consortia only)

1.6. **Identification of the tenderer: legal capacity and status**

- The tenderer's identification form in **Annex 1** shall be filled in and signed by:
  - The tenderer (including any member of a consortium or grouping)
  - Subcontractor(s) whose share of the work represent more than 20% of the contract.

- In order to prove their legal capacity and their status, all tenderers (including any member of a consortium of grouping) must provide a signed **Legal Entity Form with its supporting evidence**. The form is available on: [http://ec.europa.eu/budget/contracts_grants/info_contracts/legal_entities/legal_entities_en.cfm](http://ec.europa.eu/budget/contracts_grants/info_contracts/legal_entities/legal_entities_en.cfm)

  Tenderers that are already registered in the Contracting Authority’s accounting system (i.e. they have already been direct contractors) must provide the form but are not obliged to provide the supporting evidence.

- If it has not been included with the Legal Entity Form, tenderers must provide the following information

  - For legal persons, a legible copy of the notice of appointment of the **persons authorised to represent the tenderer** in dealings with third parties and in legal proceedings, or a copy of the publication of such appointment if the legislation which applies to the legal entity concerned requires such publication. Any
delegation of this authorisation to another representative not indicated in the official appointment must be evidenced.

- For natural persons, where applicable, a proof of registration on a professional or trade register or any other official document showing the registration number.

- The tenderer (only the leader in case of joint tender) must provide a **Financial Identification Form and supporting** documents. The form is available on: [http://ec.europa.eu/budget/contracts_grants/info_contracts/index_en.cfm](http://ec.europa.eu/budget/contracts_grants/info_contracts/index_en.cfm)

## 2. EVALUATION AND AWARD

### 2.1. Evaluation steps

The evaluation is based on the information provided in the submitted tender. It takes place in three steps:

1. Verification of non-exclusion of tenderers on the basis of the exclusion criteria
2. Selection of tenderers on the basis of selection criteria
3. Evaluation of tenders on the basis of the award criteria (technical and financial evaluation)

Only tenders meeting the requirements of one step will pass on to the next step.

### 2.2. Exclusion criteria

All tenderers shall provide a declaration on their honour (see Annex 2), duly signed and dated by an authorised representative, stating that they are not in one of the situations of exclusion listed in the Annex 2.

The declaration on honour is also required for identified subcontractors whose intended share of the contract is above 20%.

The successful tenderer shall provide the documents mentioned as supporting evidence in Annex 2 before signature of the contract and within a deadline given by the contracting authority. This requirement applies to all members of the consortium in case of joint tender. In case of doubt on this declaration on the honour, the contracting authority may also request the evidence for subcontractors whose intended share of the contract is above 20%.

### 2.3. Selection criteria

Tenderers must prove their economic, financial, technical and professional capacity to carry out the work subject to this call for tender.

The tenderer may rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. It must in that case prove to the Contracting Authority that it will have at its disposal the resources necessary for performance of the contract, for example by producing an undertaking on the part of those entities to place those resources at its disposal.
2.3.1. Economic and financial capacity criteria and evidence

In order to prove their economic and financial capacity, the tenderer (in case of a joint tender the combined capacity of all tenderers and identified subcontractors) must comply with the following criteria:

- The annual turnover of the last two financial years above € 200.000

The following evidence should be provided:

- Copy of the profit & loss account for the last two years for which accounts have been closed,

- Failing that, appropriate statements from banks,

If, for some exceptional reason which the Contracting Authority considers justified, a tenderer is unable to provide one or other of the above documents, he or she may prove his or her economic and financial capacity by any other document which the Contracting Authority considers appropriate. In any case, the Contracting Authority must at least be notified of the exceptional reason and its justification in the tender. The Commission reserves the right to request any other document enabling it to verify the tenderer's economic and financial capacity.

2.3.2. Technical and professional capacity criteria and evidence

a. Criteria relating to tenderers

Tenderers (in case of a joint tender the combined capacity of all tenderers and identified subcontractors) must comply with the following criteria:

- The tenderer must prove experience in the field of urban mobility policies in general and urban logistics in particular with at least 6 projects delivered in these fields in the last three years with a minimum value for each project of € 75.000.

- The tenderer must prove experience of working in the English language with at least 3 projects delivered in the last three years showing the necessary language coverage.

- The tenderer must prove capacity to draft reports in English.

- The tenderer must prove experience of working in 5 EU countries with at least 3 projects delivered in the last three years, the combination of which must show the necessary coverage.

- The tenderer must prove experience of supporting local authorities implement urban logistics measures, and working with stakeholder groups.

b. Criteria relating to the team delivering the service:

The team delivering the service should include, as a minimum, the following profiles:
**Project Manager:** At least 10 years experience in project management, including overseeing project delivery, quality control of delivered service, client orientation and conflict resolution experience in project of a similar size (at least € 150,000) and coverage (geographical scope at least half of the one subject to this call for tender), with experience in management of team of at least 5 people.

Language quality check: at least 2 members of the team should have a high proficiency language skills in English or equivalent, as guaranteed by a certificate or past relevant experience.

**Expert in access regulations:** 5 years' professional experience and/or research in the field of urban logistics.

c. **Evidence:**

The following evidence should be provided to fulfil the above criteria:

- List of relevant services provided in the past three years, with sums, dates and recipients, public or private. The most important services shall be accompanied by certificates of satisfactory execution, specifying that they have been carried out in a professional manner and have been fully completed;

- The educational and professional qualifications of the persons who will provide the service for this tender (CVs) including the management staff. Each CV provided should indicate the intended function in the delivery of the service.

2.4. **Award criteria**

The tender will be awarded according to the best-value-for-money procedure. The quality of the tender will be evaluated based on the following criteria. The maximum total quality score is 100 points.

- **Quality of the proposed methodology** (50 points – minimum threshold 60%)
  
  Sub-criterion 1.1 – Process for the preparation of the non-binding guidance documents (30 points)
  
  Methodology to integrate and build on existing knowledge and experience in order to prepare guidelines of high quality.

  Sub-criterion 1.2 – Integration of stakeholder views and comments (20 points)
  
  Methodology to identify and consult interested stakeholders and balance different interests to produce high quality draft non-binding guidelines.

- **Organisation of the work** (30 points – minimum threshold 60%)

  This criterion will assess how the roles and responsibilities of the proposed team and of the economic operators (in case of joint tenders, including subcontractors if applicable) are distributed for each task. It also assesses the global allocation of time and resources to the
project and to each task or deliverable, and whether this allocation is adequate for the work. The tender should provide details on the allocation of time and resources and the rationale behind the choice of this allocation.

- **Quality control measures** (20 points – minimum threshold 60%)

This criterion will assess the quality control system applied to the service foreseen in this tender specification concerning the quality of the deliverables, the language quality check, and continuity of the service in case of absence of the member of the team. The quality system should be detailed in the tender and specific to the tasks at hand; a generic quality system will result in a low score.

Tenders must score above 60% for each criterion and above 70% in total. Tenders that do not reach the minimum quality thresholds will be rejected and will not be ranked.

After evaluation of the quality of the tender, the tenders are ranked using the formula below to determine the tender offering best value for money.

\[
\text{Score for tender } x = \frac{\text{total quality score for award criteria for tender } x}{100} \times 60 + \frac{\text{cheapest price}}{\text{price of tender } x} \times 40
\]

**2.5. Technical offer**

The technical offer must cover all aspects and tasks required in the technical specification and provide all the information needed to apply the award criteria. Offers deviating from the requirements or not covering all requirements may be excluded on the basis of non-conformity with the tender specifications and will not be evaluated.

**2.6. Financial offer**

The price for the tender must be quoted in euro. Tenderers from countries outside the euro zone have to quote their prices in euro. The price quoted may not be revised in line with exchange rate movements. It is for the tenderer to assume the risks or the benefits deriving from any variation.

Prices must be quoted free of all duties, taxes and other charges, including VAT, as the European Union is exempt from such charges under Articles 3 and 4 of the Protocol on the privileges and immunities of the European Union. The amount of VAT may be shown separately.

The quoted price must be a fixed amount which includes all charges (including travel and subsistence). Travel and subsistence expenses are not refundable separately.

Maximum price: 200.000 €
3. TECHNICAL SPECIFICATIONS

The European Commission's Transport 2011 White Paper (Initiative 33) identified the need for increased attention to urban logistics. The Commission's 2013 Communication "Together towards competitive and resource-efficient urban mobility" (COM(2013) 913 Final) of 17th December 2013 was accompanied by a Staff Working Document "A call to action on urban logistics" (SWD(2013) 524 Final) that set out current thinking of the Commission’s services on urban logistics.

The Staff Working Document stated that the Commission will prepare, with experts, guidance documents that provide practical assistance on how to improve urban logistics performance.

- General and specific objectives

The purpose of this support contract is to assist the Commission prepare six high quality non-binding guidance documents on different aspects of urban logistics for presentation to the EU Member States for their endorsement.

The final list of six topics guidance document topics will be agreed with the Commission after the signature of the contract and after consultation and agreement with the Member States Expert Group on Urban Mobility. Following the preparation of the draft guidelines and the consultation of interested stakeholders each guideline will be presented to the EU Expert Group on Urban Mobility for discussion and endorsement.

- Tasks

For each of the six identified topics:

- Clearly identify the problem to be solved, the scale of the EU dimension and the benefits of a more common approach across the EU.

- Define the scope of the guidance document and target audience.

- Bring together relevant background material (research papers, best practice and experience).

- Convene a small, balanced group of technical experts to review available material and prepare a draft non-binding guidance document.

- Consult a broad range of interested stakeholders on the draft non-binding guidance document.

- Present the draft non-binding guidance documents to interested audiences (maximum three times per document).

- Revise the non-binding guidance documents as appropriate, based on the comments and feedback received.

- Provide a public report on the background, process followed, main issues and choices made and include, as an annex, the proposed non-binding EU guidance document. Reports shall include high quality graphics and photo illustrations.
Guidance documents should be prepared with the full participation of interested stakeholders to ensure the development and implement of urban access restrictions in the most cost effective manner.

A draft list of possible topics for urban logistics non-binding guidance:

Tenderers should provide their own proposed ranked list of proposed topics for non-binding guidance that have the highest EU added value.

- Methodology

This work shall be done in close collaboration with the European Commission services, and relevant stakeholders.

A kick off meeting should be held in Brussels within one month of the start of the contract in order to settle all the details of the work to be undertaken. Three further small project management meetings will be held in Brussels if necessary.

At least one stakeholder meeting for each guidance document should be held in Brussels (on the premises of the European Commission). The stakeholder consultations shall be conducted in an open and transparent way and shall include an online consultation and through a meeting in Brussels.

Two guidance documents should be delivered during the first 12 months of the contract, two more by month 18 and two more by month 24.

- Quality

The proposed non-binding guidance must take account of different interests and views in a balanced way.

- Final outputs and deliverables:

  Six public technical reports (max 40 pages) and accompanying proposed non-binding guidance document in an Annex.

  A final study report for the Commission.

  All reports should be in MS Word and PDF versions (5 paper copies, 1 electronic copy)

  All reports should be prepared in English.
The contractor will submit the final study report to the Commission at the latest 23 months after the signature of the contract.

The Commission will have 30 days to provide the Contractor with its comments.

**The duration of the tasks shall not exceed 24 months.** This period is calculated in calendar days.

Execution of the tasks begins after the date on which the Contract enters into force.

In principle, the deadlines set out below cannot be extended. The Contractor is deemed solely responsible for delays occasioned by subcontractors or other third parties (except for rare cases of *force majeure*). Adequate resources and appropriate organisation of the work including management of potential delays should be put in place in order to observe the timetable below.
