for a service contract regarding
data collection on the trans-European transport network (TEN-T)
using the TENtec system**

Contract notice in OJEU [2015/S 155-285194]

QUESTIONS & ANSWERS

Latest update [15/09/2015]

Question 1: I would kindly ask for access to information that is indicated in the tender specifications as the preferred data source.

Answer: Please refer to the description of sub-task 2 in chapter 3.4 (Tasks) of the tender specifications. It is part of the contractor's tasks to identify relevant data sources.
