Testimonials

The EU Regional Trust Fund supports more than 2 million people affected by the Syrian refugee crisis in Turkey, Lebanon, Jordan, Iraq, the Western Balkans, and Armenia. The Trust Fund helps both Syrian refugees and local communities get access to education, vocational training, job opportunities, healthcare, water, sanitation and protection services. The Trust Fund also contributes to more cohesive and inclusive societies, with a particular focus on women, children and youth. In this section you will hear directly from our project beneficiaries about the real-life impact of our support.
