Health Services ^[1]

Health Services

The EU Trust Fund supports access to primary health care, including consultations, vaccinations, medical examinations, and the provision of essential medicines, as well as health education activities. Through this priority sector, the Fund targets more than 1 million vulnerable refugees and locals in Lebanon, Egypt, Turkey, Jordan, Iraq, and the Western Balkans.

In the wake of the Syria crisis, 250,000 Syrian refugees fled to the Kurdistan Region of Iraq. In addition, the war against Daesh caused more than 1 million people to become internally displaced. Like other health structures in the region, Akre Hospital faces dire challenges to provide basic quality services to vulnerable patients. Watch how Italian NGO AIPSO and the EU Regional Trust Fund jointly contributed to providing Akre Hospital with a brand new emergency ward and helping it better fulfill its life-saving mission. After his home had been destroyed in a fire, baby Omar sustained serious burn injuries. Today, months after he received adequate medical treatment, Omar is eventually on his way to full recovery. The EU and UN Refugee Agency (UNHCR) jointly provide life-saving care to Syrian refugees in Lebanon. More stories:
