Notes:

1. * PEACE III and PEACE IV are joint Northern Ireland/Republic of Ireland allocations.
2. ** INTERREG IVA and INTERREG VA are joint Northern Ireland/Republic of Ireland/Scotland allocations.
3. The figures above are for EU funding and do not include Northern Ireland match funding.
4. The programmes listed above represent the EU funds allocated directly to Northern Ireland and do not take into account other sources of EU funds drawn down in Northern Ireland under EU-wide programmes which are open for competitive bidding, such as the 7th Framework Programme for Research (FP7) (2007-2013) and Horizon 2020 (2014-2020).
5. The figures do not take into account the benefits, financial and otherwise, of the special European Commission Task Force for Northern Ireland set up by the then Commission President, José Manuel Barroso, in 2007 to help Northern Ireland maximise its participation in competitive programmes including FP7. The continuation of the Northern Ireland Task Force was announced in January 2016. See the [DG Regional Policy website](#) for more information.
